City Of Oshkosh, Wisconsin
Request for Qualifications
Pedestrian and Bicycle Bridge over I-41

The City of Oshkosh is requesting Statements of Qualifications from qualified engineering consulting firms for the design of a new pedestrian and bicycle bridge over Interstate 41 (I-41).

The project is supported through the U.S. Department of Transportation Safe Streets and Roads for All (SS4A) Grant Program. The selected consultant will provide professional services that may include bridge location feasibility updates; preliminary and final design; environmental documentation and coordination; public involvement; utility and agency coordination; preparation of plans, specifications, and estimates; bidding assistance; construction-related engineering services; and grant administration support.

The City will select the most qualified consultant through a qualifications-based process. **Fee or cost information shall not be included** with the Statement of Qualifications. The City will negotiate a final scope of services and fair and reasonable compensation with the highest-ranked firm.

Statements of Qualifications must be submitted electronically in Adobe PDF format no later than **4:00 p.m. local time on December 15, 2026**. Submittals received after the deadline will not be accepted.

Submit one (1) electronic copy by email attachment or downloadable link to:

City of Oshkosh Engineering Division
Engineering@oshkoshwi.gov

Consultants are responsible for confirming receipt of their electronic submittal. Facsimile and hard-copy submissions will not be accepted.

Questions regarding this RFQ must be submitted by **5:00 p.m. on December 4, 2026** to Engineering@oshkoshwi.gov with the subject line: **I-41 Pedestrian Bridge RFQ Questions**. Responses to formal questions are anticipated to be issued on December 9, 2026.

The full RFQ, including submission requirements, evaluation criteria, and applicable grant terms and conditions, is available at: https://tinyurl.com/I41-Ped-Bridge-RFQ**.**
