

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The Fiscal Year 2018 Annual Action Plan represents the fourth year of the City's Consolidated Plan (Con Plan) for Fiscal Years 2015-2019 as approved by the Oshkosh Common Council and approved by the US Department of Housing and Urban Development (HUD). The Action Plan is the City of Oshkosh's application for HUD entitlement grant funds and identifies the proposed programs and projects to be funded during the City's Fiscal Year (FY) 2018.

During the 2018 Program Year, the City of Oshkosh will pursue the implementation of projects and activities in four major categories: 1) Central City Redevelopment ; 2) Housing & Neighborhood Development; 3) Public Services; and 4) Program Administration & Planning. Of the \$815,197 in estimated CDBG funds plus 2017 Program Income, a minimum of 70% of funds must be spent on activities that will benefit LMI persons.

Activities funded with CDBG funds in this Action Plan will meet the national objectives of benefiting LMI persons and/or preventing or eliminating slum or blighting conditions.

It is important to note that the Con Plan sets goals and strategies to be achieved over the FY 2015 -2019 period and identifies a list of funding priorities. The six Con Plan Goals represent high priority needs for the City and serve as the basis for FY 2018 programs and activities identified in the Action Plan. The Con Plan goals are listed below in no particular order:

- Provide safe, decent, affordable housing
- Create strong and healthy neighborhoods
- Create suitable living environment through Public Services
- Provide overall administration of the CDBG program, conduct fair housing activities, as well as Comprehensive Planning activities.
- Create suitable living environment through public facilities or infrastructure improvements
- Create economic opportunities

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

For details regarding the objectives and outcomes targeted in the Con Plan and this Annual Plan in relation to each of the six goals listed above, please refer to Sections AP-15 (Annual Goals and Objectives) and AP-35 (Projects).

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City continues to monitor and evaluate the performance of the City's CDBG programs and activities while ensuring regulatory compliance. The City's Annual Action Plan and Consolidated Annual Performance and Evaluation Reports (CAPERS) have provided details about the innovations, projects and programs completed by the City over the past (documents may be viewed or downloaded from the City's website).

The City recognizes that the evaluation of past performance is critical to ensuring the City and its subrecipients are implementing activities effectively and that those activities align with the City's overall strategies and goals. The performance of programs and systems are evaluated on a regular basis. The City continues to improve the CDBG subrecipient application process in order to ease the administrative burden on applicants and volunteer community-member boards and reviewers.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

In accordance with the *Citizen Participation Plan* outlined in the Con Plan, the draft Action Plan was available online and hard copies were available at the Community Development Office at the Oshkosh City Hall.

The FY 2018 Action Plan was presented and discussed at the following meetings:

- Plan Commission public meeting held June 19, 2018
- A public meeting held June 20, 2018
- Common Council public meeting held June 26 2018

No written comments were received. See comments received in Exhibit A.

Over the past several months, City staff also consulted with representatives from area agencies participating in the Winnebago Land Housing Coalition and the Oshkosh/Winnebago County Housing Authority. These agencies provide a wide spectrum of services in the community and represent needs of many different segments of the population to ensure future CDBG programming meets the needs of the community.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

Citizen comments from the various public meetings will be included as Exhibit A.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments / views were accepted.

7. Summary

The City of Oshkosh's FY 2018 Annual Action Plan has been prepared as a guide for the expenditure of CDBG funds based upon input from citizens and local agencies regarding the needs of the community and use of funds; an assessment of needs in the community related to housing and community development and an analysis of the area's market create a picture of the environment in which the program will be administered.

PR-05 Lead & Responsible Agencies – 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

Describe the agency/entity responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
Lead Agency	OSHKOSH	
CDBG Administrator	OSHKOSH	Community Development Department
HOME Administrator		

Table 1 – Responsible Agencies

Narrative (optional)

The City of Oshkosh has designated its Community Development Department as the lead agency responsible for administration of the Community Development Block Grant (CDBG) program and associated reports. The Department is also the major public agency responsible for administering programs addressed in the Consolidated Plan and this FY 2018 Annual Action Plan, except for Homeless Programs. The Continuum of Care (CoC) for Homeless Programming is the Winnebagoland Housing Coalition with ADVOCAP as the local non-profit agency taking the leadership role in administration.

The City works with numerous community-based organizations, partners, businesses, other funders, as well as City of Oshkosh departments, to plan, develop, implement and evaluate activities outlined in this plan.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

Consultation on development of this Plan was achieved through interviews and public hearings. Efforts were made to consult agencies that provide a wide range of services so that a clear picture of community needs would be available during development of the Plan.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

When developing the Consolidated Plan, the City launched a collaborative effort to consult with elected officials, City departments, community stakeholders and beneficiaries of entitlement programs to inform and develop the priorities and strategies contained within the five year plan.

City staff also consulted with the Oshkosh/Winnebago County Housing Authority and the Winnebagoland Housing Coalition.

The Oshkosh/Winnebago County Housing Authority’s mission is to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. The Authority’s staff are key participants in the preparation of the Consolidated Plan as well as Annual Action Plans and Consolidated Annual Performance and Evaluation Reports (CAPERs).

The Winnebagoland Housing Coalition has representatives from various housing and social service organizations including public and assisted housing providers and private and governmental health, mental health and service agencies. A representative from the City of Oshkosh Community Development Department meets monthly with the Coalition to obtain input from those focusing on housing and services related to individuals with disabilities, victims of domestic abuse, veterans, homeless, elderly persons, etc.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Winnebagoland Housing Coalition is the name of the Continuum of Care (CoC) serving the Oshkosh area. A representative from the City of Oshkosh Community Development Department meets monthly with the Coalition to obtain input from those focusing on housing and services related to individuals with disabilities, victims of domestic abuse, homeless, elderly persons, etc. The process used by the COC to identify and prioritize homeless needs includes an annual review of previous year’s services provided,

bi-annual point-in-time survey of homelessness and a review of homeless client input and case notes by homeless service providers.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Oshkosh does not receive or utilize emergency shelter grants within its jurisdiction. However, ADVOCAP, as the lead agency administering ESG funds, participates and consults with members of the WinnebagoLand Housing Coalition, of which the City of Oshkosh is an active member. Annually, ADVOCAP consults with the WinnebagoLand Housing Coalition to determine how ESG funds can be utilized to meet the needs of individuals in the Oshkosh area.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

Table 2 – Agencies, groups, organizations who participated

1	Agency/Group/Organization	Oshkosh/Winnebago County Housing Authority
	Agency/Group/Organization Type	PHA
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Discussed public housing needs in the community and how the City and Housing Authority could work together collaboratively
2	Agency/Group/Organization	Winnebagoland Housing Coalition
	Agency/Group/Organization Type	Continuum of Care

AP-12 Participation – 91.105, 91.200(c)

**1. Summary of citizen participation process/Efforts made to broaden citizen participation
Summarize citizen participation process and how it impacted goal-setting**

City staff continues to work with the Oshkosh Public Service Consortium and community groups, organizations and agencies to increase citizen participation and improve the FY 2018 CDBG application and evaluation process. The City also seeks input from the Plan Commission to ensure projects and activities to be carried out are in compliance with the City's adopted Comprehensive Plan. The Plan Commission serves in an advisory capacity to the Common Council on issues related to the Consolidated Plan, Annual Action Plan, end of the year CAPER reporting, Analysis of Impediments to Fair Housing, as well as the CDBG allocation.

All meetings are open to the public and agendas are distributed via email, internet posting and hardcopy posting. Meeting notes summarizing the discussion items and actions taken are posted online and made available at subsequent meetings to keep interested parties informed.

City staff, along with partner agencies such as Oshkosh/Winnebago County Housing Authority and Winnebago Land Housing Coalition, receive feedback from the public and other community stakeholders regarding the implementation of HUD funded programs through presentations and attendance at monthly meetings.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

Please see information provided below

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	815,197	0	0	815,197	1,297,537	The city does not anticipate receiving any program income. However, any program income generated through the housing improvement program will be placed in a revolving loan fund and exclusively used for the housing improvement program.

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
HOME	public - federal	Acquisition Homebuyer assistance Homeowner rehab Multifamily rental new construction Multifamily rental rehab New construction for ownership TBRA	0	0	0	0	0	The City does not receive HOME funds

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

While the CDBG program does not require leveraging, the program does leverage other resources. The City budgets funds in its Capital Improvements Program for additional programs for housing related activities, public facilities improvements, landscaping, curb appeal projects, and acquisition of properties to eliminate slum and blight.

The Oshkosh Area Community Foundation and the Oshkosh United Way partner with the City of Oshkosh in forming the Oshkosh Public Service Consortium. The Consortium seeks applications from public service agencies for programs/activities that meet one of HUD's national objectives

and benefit low- and moderate-income households.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Oshkosh may provide vacant/undeveloped lots to private developers, Habitat for Humanity, Advocap or other non-profit/CHDO agencies for construction of new affordable housing units.

Table 6 – Goals Summary

Goal Descriptions

1	Goal Name	Provide safe, decent, affordable housing
	Goal Description	Funds will be used to rehab and expand the City's affordable housing stock for LMI households as well as to stabilize and visually improve older LMI neighborhoods. Also funds will be used to provide home ownership opportunities to eligible homebuyers by providing downpayment assistance loans. Funds will also be used to acquire homes in need of repair, make needed repairs and sell the homes to qualified homebuyers.
3	Goal Name	Public services
	Goal Description	Funds will be provided to local non-profit agencies that provide needed services to low and moderate income individuals and households.
4	Goal Name	Administration/Planning
	Goal Description	Funds will be used for salaries of personnel involved in CDBG program management and administration, as well as associated training & related costs; environmental consultants; and preparation of various documents/plans relative to the entitlement program.

5	Goal Name	Central City Redevelopment & Community Facilities
	Goal Description	Funds will be used to assist with the redevelopment of blighted properties within the central city, acquisition of spot blighted properties or in designated redevelopment areas.

Projects

AP-35 Projects – 91.220(d)

Introduction

During the 2018 Program Year, the City of Oshkosh will pursue the implementation of projects and activities in four major categories:

- Central City Redevelopment & Community Facilities
- Housing & Neighborhood Development
- Public Services
- Program Administration & Planning

The use of CDBG funds in 2018 will focus on activities and programs that:

- Improve and maintain housing and create accessibility to homeownership for income qualified homebuyers
- Assist local warming shelter in its pursuit of a permanent shelter for the homeless
- Revitalize neighborhoods through streetscaping improvements, curb appeal improvements, elimination of slum and blighted properties
- Provide funding to various public service agencies, to be determined, that provide shelter/services to persons that are homeless, affected by domestic abuse, recovering from addiction, need health care services,
- Provide training for landlords or tenants on fair housing regulations
- Provide administration of the overall CDBG program

Projects

#	Project Name
1	Central City Redevelopment
2	Housing Rehabilitation
3	Public Services
4	Administration

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City will continue to initiate progress towards implementing programs/activities in LMI/LMA neighborhoods. City departments will continue to participate in internal discussions (Police, Inspections,

Planning, Assessor, etc) and coordinate with citizens in identified areas (such as neighborhood associations). By coordinating actions of City staff, the obstacle for staff capacity will be addressed so that actions can be as concentrated as possible. Also by involving the residents of these neighborhoods, the residents will be a resource of information and for implementation of the strategies.

Coordination between the public and private sectors will form a partnership to address priorities of these neighborhoods. The intended outcome of tailoring needs to the neighborhoods will be that the residents will be much more informed and intricately involved in the governance and neighborhood redevelopment activity processes in order to direct and aid in the implementation of neighborhood projects. The City's partnership with a local non-profit, Greater Oshkosh Healthy Neighborhood Initiative (GO-HNI), is intended to be used as a nongovernmental tool to assist in the establishment of neighborhood associations. The goals of this partnership are neighborhood revitalization, community building, lending, homebuyer education, housing rehabilitation, general review of the housing and neighborhood improvement programs and broader neighborhood improvement activities, as determined by the City, GO-HNI and resident lead neighborhood associations.

AP-38 Project Summary
Project Summary Information

1	Project Name	Central City Redevelopment
	Target Area	Oshkosh Priority Areas
	Goals Supported	Central City Redevelopment & Community Facilities
	Needs Addressed	Neighborhood Initiatives Public Facilities & Improvements
	Funding	CDBG: \$280,000
	Description	Funds will be used to assist with the redevelopment of blighted properties within the Central City, acquisition of spot blighted properties or in designated redevelopment areas. Funds may also be used to acquire a vacant lot in the central city to assist the local warming shelter in establishing a permanent homeless shelter. Activities may include acquisition, relocation, demolition, environmental remediation, public facility improvements, streetscaping and site clearance.
	Target Date	4/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	Projects/activities will benefit the community as a whole, estimated population 66,700. Some projects may have a direct benefit to an immediate surrounding LMI/LMA neighborhood. A permanent homeless shelter will provide alternatives for the homeless population on a year round basis versus only during the winter months.
	Location Description	City-wide
	Planned Activities	Activities may include elimination of slum and blight through acquisition and demolition of vacant properties, housing improvement projects, streetscaping on streets where the blocks are LMA or on individual parcels where the property owners are LMI.
2	Project Name	Housing Rehabilitation
	Target Area	Oshkosh Priority Areas
	Goals Supported	Provide safe, decent, affordable housing
	Needs Addressed	Affordable Housing - rehabilitation
	Funding	CDBG: \$331,197
	Description	Funds will be used to rehab and expand the City's affordable housing stock for LMI households as well as to stabilize and visually improve older LMI neighborhoods. Funds will be used to provide home ownership opportunities to eligible homebuyers by providing downpayment assistance loans. Funds will be used to acquire homes in need of repair, make needed repairs and sell the homes to qualified homebuyers.

	Target Date	4/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	18 owner occupied homes rehabilitated 2 homebuyers assisted 1 housing unit acquired, rehabbed and sold
	Location Description	City-wide
	Planned Activities	Improve and maintain affordable housing for LMI persons/households; home ownership assistance; rental rehabilitation; acquisition, rehab and resale to income qualified homebuyers
3	Project Name	Public Services
	Target Area	Oshkosh Priority Areas
	Goals Supported	Public services
	Needs Addressed	Public Services
	Funding	CDBG: \$115,000
	Description	Funds will be provided to local non-profit agencies that provide needed services to low and moderate income individuals and households. An established Public Service Consortium Committee consisting of citizens at large, and representatives from the City of Oshkosh, United Way and the Oshkosh Area Community Foundation, will allow for a streamlined application & evaluation process and reduce funding overlaps with limited dollars
	Target Date	4/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	Homeless persons in overnight shelters - 500 LMI persons assisted Other public service activities - estimated 20,000 LMI persons assisted
	Location Description	City-wide
	Planned Activities	The Public Service Consortium will allocate funds to public service agencies that have applied for funding through the City's application process. Activities may include health care assistance, emergency shelter, food pantry, peer support, advocacy and education, emergency assistance, oral hygiene for children
4	Project Name	Administration
	Target Area	Oshkosh Priority Areas
	Goals Supported	Administration/Planning

Needs Addressed	Planning and Program Administration
Funding	CDBG: \$89,000
Description	Funds will be used for salaries of personnel involved in CDBG program management and administration, as well as associated training & related costs; environmental consultants; and preparation of various documents/plans relative to the entitlement program.
Target Date	4/30/2019
Estimate the number and type of families that will benefit from the proposed activities	
Location Description	City-wide
Planned Activities	Funds will be used for program administration costs such as salaries, training, coordination, etc. of staff involved in CDBG program management and administration. Funds are also used to hire consultants to assist in preparation of various plans (i.e. Analysis of Impediments to Fair Housing) and Phase I / II environmental assessments.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

All programs, projects, and activities to be carried out under the 2018 Annual Action Plan will meet one of the three National objectives of:

- Benefit to low and moderate income (LMI) persons.
- Aid in the prevention or elimination of slums or blight.
- Meet a need having a particular urgency

Funds will be used to assist LMI persons and households on a city-wide basis or in neighborhoods with approved associations, occur in and benefit LMI/LMA census tracts/block groups, or in spot blighted or approved redevelopment areas. See Exhibit B for low to moderate income census block groups and Exhibit C for the City’s approved neighborhood association map. It should be noted the neighborhood associations map (Exhibit C) will change as new associations are recognized by the City.

Geographic Distribution

Target Area	Percentage of Funds
Oshkosh Priority Areas	100

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Assistance will be directed primarily to LMI census tracts and block groups and recognized neighborhood associations (as shown in the maps in Exhibit B and Exhibit C.), as well as properties spot blighted or designated as redevelopment areas by the City, or on a community wide basis to LMI income eligible persons. The majority of the LMI census tracts and block groups are located within the oldest areas of the Central City, which are predominately single and two family residential neighborhoods (though many have experienced inappropriate single family to multiple family conversions), but also include a mix of commercial, industrial and institutional uses.

Residents in these areas have limited financial capacity to address housing and non-housing conditions, as well as neighborhood revitalization efforts. The City's 2018 CDBG Action Plan activities and programs are intended to address these needs.

Discussion

Not applicable

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

In 2018, the City of Oshkosh will support affordable housing needs in Oshkosh by:

- Providing funds for the City's homeowner rehabilitation program to assist low- and moderate-income homeowners with needed repairs and maintenance.
- Providing downpayment assistance to low- and moderate-income homebuyers who have participated in approved classes.
- Providing rental rehabilitation funds to assist landlords with needed repairs and maintenance.
- Collaborating with Habitat for Humanity, Advocap and Oshkosh/Winnebago County Housing Authority in acquiring properties for construction/rehabilitation of affordable homes for low- and moderate-income families.

AP-60 Public Housing – 91.220(h)

Introduction

The City of Oshkosh will provide funding to support the Oshkosh/Winnebago County Housing Authority and the local Habitat for Humanity's homebuyers programs with downpayment assistance loans and rehabilitation as needed for repairs/code violations.

Actions planned during the next year to address the needs to public housing

The City of Oshkosh will work collaboratively with the Oshkosh/Winnebago County Housing Authority on projects to further affordable housing for low- to moderate-income households and/or disabled households.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The City of Oshkosh will collaborate with the Oshkosh/Winnebago County Housing Authority on projects to further affordable housing for low- to moderate-income households and/or disabled households.

The Housing Authority encourages its residents to participate in various activities and programs to improve themselves and make them more self-sufficient. The Housing Authority works with the local FISC office in offering homebuyer education classes and credit counseling for those residents interested in homeownership. FISC is a certified counseling agency.

The Authority offers a Family Self-Sufficiency (FSS) program to help housing choice voucher and public housing family unit recipients attain self-sufficiency through education advancement, employment skill development, access to community resources, home ownership opportunities and development of financial assets with the goal of improving their family's financial situation and overall quality of life.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

The Oshkosh/Winnebago County Housing Authority is not designated as troubled.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

Coordination and delivery of homeless services is provided through a Homeless Service Providers Network as part of the Continuum of Care. ADVOCAP serves as the lead agency within the Network, which also includes Christine Ann Domestic Abuse Services (CADASI), American Red Cross of East Central Wisconsin, Legal Action of Wisconsin, and The Salvation Army – Oshkosh Corps. ADVOCAP also serves as lead agency and fiscal agent for consolidated applications for HUD ESG/THP and HPP funds. Additionally, ADVOCAP serves as lead agency for participation in the Balance of State Continuum of Care organization. Both the WinnebagoLand Housing Coalition and the Homeless Service Providers Network discuss homeless prevention activities and strategies. The City will continue to participate in these meetings and assist with funding where possible.

The City continues to collaborate with the local warming shelter on how the City can assist in the Shelter's efforts to construct a more permanent shelter facility that will offer on-site services and resources and additional beds. The local warming shelter is currently completing a feasibility study and hopes to begin the fundraising campaign by the end of 2018.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Homeless service providers maintain contact with other agencies that may not be active members of the housing coalition to facilitate homeless participants accessing services in a timely manner or to assure appropriate referral of persons by other agencies to the homeless service providers.

Also, ADVOCAP provides staff support to conduct point in time surveys of homeless needs, prepare annual needs assessment and prioritization of unmet needs, and write grants for joint homeless activities. Joint training activities are also planned to benefit participating agencies.

The City will continue to participate on the WinnebagoLand Housing Coalition to provide and obtain input from organizations providing the necessary services and assist with funding where possible.

Addressing the emergency shelter and transitional housing needs of homeless persons

Priorities of the WinnebagoLand Housing Coalition is to continue supporting the Day by Day Warming shelter in Oshkosh that serves a small but definite population of persons with limited shelter options in the community. The Day by Day Warming Shelter adds an important level to the continuum of care in this area by providing a safe setting to a vulnerable homeless population. Despite nearly 200

success stories of guests working toward self-sufficiency at the shelter, the need for temporary overnight shelter is growing in Oshkosh. The City will continue to support this public service activity in 2018.

Homelessness and the factors affecting it are increasing and the temporary local warming shelter has to regularly turn people in need away. The City is working with Day by Day Warming Shelter in its pursuit of a more permanent shelter facility that will offer on-site services and resources and additional beds. Day by Day is currently completing a feasibility study and hopes to begin the fundraising campaign before fall with construction by early spring.

Also, the Redevelopment Authority (RDA) of the City of Oshkosh is working with Advocap on leasing a RDA owned single family house for short term transitional housing.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Written goals of the WinnebagoLand Housing Coalition include:

- Promote public and private funds to expand affordable housing opportunities and supportive services
- Educate agencies on legislative issues that impact affordable housing
- Educate public officials about housing issues
- Identify issues regarding emergency housing and homelessness in the community
- Adopt in-service agendas and endorse solutions to emergency housing issues and homelessness

As a prevention strategy, an area of emphasis is providing more employment-related services to help persons move from shelter into permanent housing.

The City will continue to participate on the WinnebagoLand Housing Coalition to provide and obtain input from organizations providing the necessary services and assist with funding where possible

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The City will continue to participate on the WinnebagoLand Housing Coalition to provide and obtain input from organizations providing the necessary services and assist with funding where possible.

While City staff will not lead the effort to create a discharge policy, staff will participate in any efforts to create such a policy.

Discussion

The City of Oshkosh does not receive any private or public funds to address homeless needs or to prevent homelessness. There are a number of public and private organizations providing these homeless services in the community and the City supports these agencies through funding to the Public Service Consortium.

The Continuum of Care (CoC) in Oshkosh has a direct influence in addressing the needs of the homeless. The following priorities were established by the CoC and continue to be followed:

- 1) Service gap in short term assistance
- 2) Case management with supportive services
- 3) Accessible emergency shelter along with motel vouchers
- 4) Medical and health related services
- 5) Transportation help
- 6) Transitional housing
- 7) Housing and supportive services for chronic homeless
- 8) Essential personal needs such as food, clothing and personal care items
- 9) Subsidized permanent housing
- 10) Foreclosure help
- 11) Daycare support
- 12) Fair housing assistance

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The City's 2005-2025 Comprehensive Plan calls for the following actions to maintain and rehabilitate the City's existing housing stock:

- Continue housing rehabilitation programming which provides assistance to low and moderate income persons in upgrading their housing and in purchasing and improving properties in older neighborhoods.
- Encourage downtown/central city residential development through rehabilitation or new construction
- Implement "Neighborhood Improvement Strategies" for neighborhood and housing issues.
- Develop program and encourage owners to convert non-competitive rental property back to owner occupied structures.
- Create a rehabilitation code for pre-existing conditions on historic properties.
- Work with public and private housing providers to plan for the development of additional housing units affordable to low and moderate income owner and renters as needed and to secure additional subsidies for rental of existing privately owned units.

In January 2017 the City of Oshkosh implemented a Residential Rental Inspections Program to protect the health and safety of rental residents in the community. The Oshkosh Common Council created the program in response to findings that a significant percentage of housing code complaints and violations were occurring within rental properties leading to an adverse affect on residents and neighborhoods, contributing to decreased property values and neighborhood blight. The intent of the program is to encourage Oshkosh rental property owners to exercise their responsibility to meet code requirements to provide safe and sanitary living conditions for tenants. Program guidelines were also drafted in keeping with current Federal and Wisconsin State laws.

The City will continue to fund programs and activities that address affordable housing for all citizens to the extent possible. However, due to funding limitations both through Federal programs and at the local level, the City will have to use its funding strategically.

During the coming program year, the City will be undertaking an Analysis of Impediments (AI) to Fair Housing study. A consultant will be hired following the procurement requirements of 2 CFR 200 to prepare the AI for submittal to HUD. The Analysis of Impediments will perform an assessment of fair housing, defines and undertakes the community/stakeholder participation process, and the identification of contributing factors and the establishment of priorities and goals that lead to meaningful actions that affirmatively further fair housing. The AI will also state how the City of Oshkosh, will act on its responsibility to address fair housing contributing factors and appropriate actions to overcome the effects of those factors and other actions in this regard. The AI is due to HUD no later

than August 2019.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City's current Analysis of Impediments (AI) summarized actions to be taken to address barriers to affordable housing. The City's Analysis of Impediments is attached as Exhibit D. The City of Oshkosh has, and will continue to use, various strategies to address or ameliorate any negative effects of public policy that are barriers to affordable housing.

The City of Oshkosh revised its Fair Housing Ordinance to include transgender individuals as a protected class, as well as reflect the current structure for investigation and disposition of complaints through a third party contractor (Fair Housing Council of Northeast Wisconsin).

The City of Oshkosh approved a Residential Rental Registration and Inspection Ordinance (rental registry). The City-wide program is for the registration and inspection of residential rental dwelling units to ensure units provide safe, decent and sanitary living conditions for tenants and to prevent further deterioration of those units.

The Oshkosh public transportation system, provides bus service to LMI households in Census Tracts 1, 2, 4, 5, 7, 8, 11, 12, 14 and 15.

The City adopted a new Zoning Ordinance which incorporates building design standards to maintain and enhance the attractiveness and values of property in the community.

Continue to contract with Fair Housing Council of Northeast Wisconsin to provide training for landlords and tenants and other interested parties on fair housing regulations, as well as investigate potential fair housing complaints.

As City streets are resurfaced, they are designed to enable safe access for all users, including pedestrians, cyclists, motorists and transit riders, that helps create a livable community for all citizens.

Also, there are a number of State and local regulations designed to promote the orderly development and maintenance of safe, decent and sanitary housing in the community. To eliminate duplication, the City uses the building codes established by the State for uniform construction standards. Consequently, the City's building codes do not appear to hinder the development or preservation of affordable housing.

Likewise, the locally established Minimum Housing Code does not create a barrier for affordable housing. These standards parallel the National Minimum Housing Code Standards and are minimum

requirements established to preserve and promote the public health, safety, comfort, personality and general welfare of the people. Their enforcement is necessary to preserve and encourage the private/public interests in housing and its maintenance.

The City's zoning and land-use codes promote the morals, aesthetics, prosperity, health, safety and general welfare of all people in Oshkosh. These codes are constructed to allow compatible development throughout the community and are flexible enough to encourage redevelopment in the community's existing, established areas.

All residential properties are assessed on a citywide basis using market sales data of comparable properties in and around the immediate neighborhood. Citywide assessing ensures an equitable treatment of residential property and provides an incentive to those who maintain and improve their properties.

The current public policies relating to housing and, in particular, affordable housing, do not appear to be excessive, exclusionary, or discriminatory nor do they duplicate any other policies. The City will work with developers, homeowners and public agencies that encounter barriers to affordable housing to address the issues.

Discussion:

The City of Oshkosh will contract with the Fair Housing Council of Northeast Wisconsin (FHCNW) in the amount of \$17,000 during the 2018 PY to provide comprehensive fair housing enforcement, outreach, education and technical assistance services to Oshkosh residents. Discrimination continues today in both subtle and overt ways, and many housing consumers and providers have poor understanding of the rights and responsibilities provided by fair housing laws. Fair housing issues affect all participants in the housing market. Under the City's contract, FHCNW will provide training to landlords and/or tenants in Oshkosh, as well as social service agencies or other organizations that serve Oshkosh. Most other activities to address impediments to fair housing identified in the City's AI, will be undertaken by City staff.

AP-85 Other Actions – 91.220(k)

Introduction:

A primary obstacle to meeting the underserved needs in the City of Oshkosh is the lack of available funding to the City and to the various non-profit agencies the City partners with in serving LMI residents. As entitlement grants shrink, the cost of delivery services and competing projects increase and the economy continues to be challenging -- the need is greater.

Actions planned to address obstacles to meeting underserved needs

Due to funding limitations both through HUD programs and at the local level, the City will have to use its funding strategically. For redevelopment or neighborhood projects, funds will be concentrated first in approved neighborhoods, LMI/LMA census tracks/block groups, spot blighted and redevelopment areas.

The State of Wisconsin also continues to have issues with budget deficits, which has a direct effect on the amount of shared revenue coming into the local level for projects and programs. The reduction of shared revenues is expected to continue or increase. This loss of funding will directly affect the amount of funds that can be budgeted for housing locally.

Actions planned to foster and maintain affordable housing

The City will continue to fund the housing rehabilitation program to rehabilitate and improve existing units for both homeowners and renters and provide downpayment assistance to eligible homebuyers. In order to achieve any type of sustainable revitalization success, funds must be programmed and resources targeted to effect change in transitional and distressed neighborhoods.

Wisconsin Statutes permit the use of the final year of tax increment in a terminating Tax Increment District to be used to fund improvements to the housing stock (primarily benefitting affordable housing). The City created the Healthy Neighborhood Initiative Program in 2012 to concentrate its local resources into program neighborhoods to achieve revitalization. The goal is to attract homeowners and private investment back into participating neighborhoods. Using a combination of funding sources, such as local capital improvement general obligation bonds for public realm improvements, CDBG and Healthy Neighborhood Initiative Program funds, will strengthen neighborhoods throughout the community for the benefit of all residents and income levels.

Actions planned to reduce lead-based paint hazards

Any program that undertakes rehabilitation work will meet the requirements of the lead safe housing rules.

Actions planned to reduce the number of poverty-level families

In the past, CDBG funds have been allocated to local homeless shelters, a domestic abuse shelter, food pantry and other public service agencies that directly serve families and individuals that are facing financial hardship. The City will continue to fund public service agencies under the CDBG program guidelines.

Actions planned to develop institutional structure

City staff will continue to participate and serve on community organization boards to maintain open communication with other governmental entities and service providers throughout the community.

Actions planned to enhance coordination between public and private housing and social service agencies

City staff will continue to participate in Winnebagoland Housing Coalition meetings which is a valuable forum used to communicate ongoing or developing issues within the community, especially in terms of housing, homelessness and the needs of special populations. City staff will use these discussions to evaluate needs in terms of how CDBG funds may be able to fund activities to assist with these issues.

Citizen Participation Comments

EXHIBIT A

Notice of Public Hearing City of Oshkosh 2018 CDBG Program

The City of Oshkosh will hold a public hearing on Wednesday, June 20, 2018 at 5:00 PM at the Oshkosh City Hall, 215 Church Avenue, Second Floor Conference Room, Room 203, to hear public comments pertaining to the City's 2018 Community Development Block Grant (CDBG) Annual Action Plan to be submitted to the US Department of Housing and Urban Development (HUD).

The proposed use of 2018 CDBG funds as shown in the table below is tentative until the City's 2018 Action Plan is approved by the Common Council and HUD. A draft version of the Action Plan may be found on the City's website http://www.ci.oshkosh.wi.us/Community_Development/Economic_Development/index.asp and is available for viewing at the Community Development Office, Room 201 at the Oshkosh City Hall.

Projects		Allocation
I.	Central City	\$280,000
II.	Housing / Neighborhood Development	\$331,197
III.	Public Services	\$115,000
IV.	Administration and Planning	\$89,000
Total CDBG Allocation		\$815,197

Additional public meetings will be held regarding the draft 2018 CDBG Action Plan by the Oshkosh Plan Commission on June 19 at 4:00 PM, and by the Oshkosh Common Council on June 26 at 6:00 PM. These meetings will be held at City Hall, 215 Church Avenue, Oshkosh.

If persons planning on attending have specialized needs (interpreter, handicap accessibility, etc.), please contact the Community Development Department at 920.236.5029 at least 5 days prior to the meeting. Written comments on the proposed Action Plan may be submitted to dbrandt@ci.oshkosh.wi.us or mailed to Darlene Brandt, Oshkosh City Hall, 215 Church Avenue, Oshkosh, WI 54901

**EXCERPT FROM
PLAN COMMISSION MINUTES**

June 19, 2018

PRESENT: David Borsuk, Ed Bowen, Thomas Fojtik, Michael Ford, John Hinz, John Kiefer, Andrew Matt, Thomas Perry, Robert Vajcni

EXCUSED: Kathleen Propp, Steve Cummings

STAFF: Darryn Burich, Planning Director; Mark Lyons, Principal Planner; Steve Gohde, Assistant Director of Public Works; Jeff Nau, Associate Planner; Brian Susarek, Assistant Planner; Steven Wiley, Assistant Planner; Mira Kuss, Recording Secretary

Chairperson Fojtik called the meeting to order at 4:00 pm. Roll call was taken and a quorum declared present.

VII. REVIEW 2018 ANNUAL ACTION PLAN, COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

The purpose of this review is for the Plan Commission to make a determination of consistency that the proposed programs and activities in the 2018 Annual Action Plan are consistent with the City's 2005-2025 Comprehensive Plan, official maps, or other planned activities of the City.

Darlene Brandt, Grants Coordinator for Community Development, explained the objectives of the program and stated that the City has been an entitlement community since 1976. She further stated that the projects funded by this program must meet one of the following objectives: benefit to low and moderate income persons (LMI), aid in the prevention of slum and blight, or urgent need such as disasters and emergencies. The City's allocation for 2018 is \$815,197 which is broken down into four categories and she explained the projects that would fall under each category. The allocation of funds would be \$280,000 for central city redevelopment, \$331,197 for housing improvement program, \$115,000 for public services and \$89,000 for administration and fair housing. She reviewed photos of completed projects that were funded from these various categories in the past year and the agencies that receive funding through the public services consortium and the breakdown of funding for administration which is to provide staff salaries and training as well as funding for the Fair Housing Center of Northeastern Wisconsin. She further stated that after review by the Plan Commission to make a determination of consistency with the Comprehensive Plan and approval by the Common Council, the Action Plan would be submitted to HUD for approval.

Mr. Borsuk asked how the Community Development Block Grant Program prioritizes their focus for neighborhood initiatives.

Ms. Brandt said that staff tries to focus on neighborhoods that have an approved neighborhood association first but that is not always the case.

Mr. Ford inquired about the lead pipe program.

Ms. Brandt replied that the Department of Public works has a lead water pipe replacement program. She added that during the rehab of homes under the housing rehabilitation program, staff works with the Department of Public Works to address any lead pipe issues as well.

Motion by Vajry that the 2018 Community Development Block Grant Annual Action Plan is consistent with the City's 2005-2025 Comprehensive Plan, official maps and other planned activities of the City.

Seconded by Hinz. Motion carried 7-6-1 (abstained: Perry).

LMI Census Block Groups

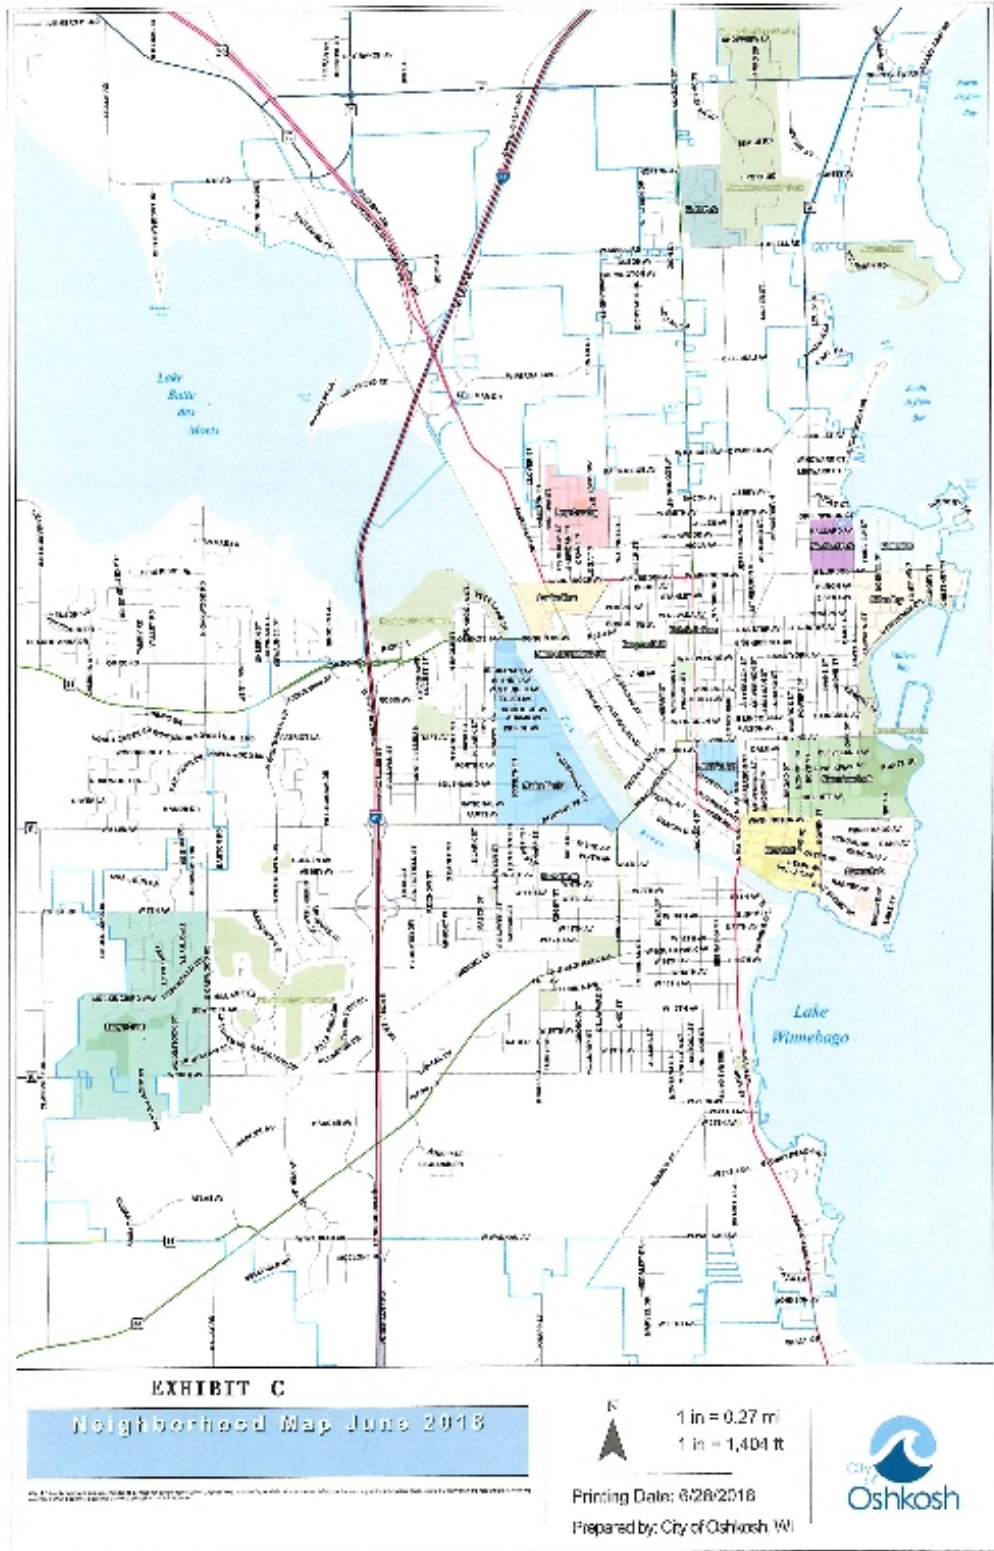

The City of Oshkosh is a proud member of the U.S. Department of Housing and Urban Development's (HUD) Opportunity Zones program. Grantee Unique Appendices

CITIZEN PARTICIPATION PLAN

Per 24 CFR 91.105, the City of Oshkosh is required to adopt a citizen participation plan that sets forth the City's policies and procedures for citizen participation. The City of Oshkosh will approve this citizen participation plan on March 24, 2015 with the adoption of the 2015-2019 Consolidated Plan.

The Citizen Participation Plan provides for and encourages citizens to participate in the development of the consolidated plan, any substantial amendments to the consolidated plan and the performance report. The Plan is designed especially to encourage participation by low and moderate income persons, particularly those living in slum and blighted areas, and in areas where CDBG funds are proposed to be used, and by residents of predominantly low and moderate income neighborhoods. Actions will be taken to encourage the participation of all citizens, including minorities and non-English speaking persons, as well as persons with disabilities.

The City of Oshkosh encourages collaboration with the Oshkosh/Winnebago County Housing Authority and the residents of public and assisted housing developments during the process of developing and implementing the Consolidated Plan, along with other low-income residents of targeted revitalization areas in which the developments are located. The Department of Community Development strives to provide information to the Oshkosh/Winnebago County Housing Authority about consolidated plan activities related to its developments and surrounding communities.

Policies

1. Before the City adopts a consolidated plan, the City will make available to citizens, public agencies, and other interested parties information that includes the exact amount of assistance the City expects to receive (including grant funds and program income) and the range of activities that will be undertaken, including the estimated amount that will benefit persons of low and moderate income.

During project development, it is the City of Oshkosh's goal to minimize displacement of persons and to assist any person displaced. During redevelopment or rehabilitation projects, the City will work with citizens and property owners to present assistance available during the displacement period. Depending on the nature and scope of the project, this information will be made available in written and/or oral formats. City staff will be available to meet with those being displaced to continue any necessary discussion.

2. The City of Oshkosh will publish the proposed consolidated plan in a manner that allows cities, public agencies, and other interested parties a reasonable opportunity to examine its contents and submit comments. A summary will be published in the *Oshkosh Northwestern*, which is a newspaper of general circulation. Copies of the entire proposed consolidated plan will also be available for review at the Oshkosh Public Library (106 Washington Avenue, Oshkosh, 54901), at the City of Oshkosh Department of Community Development (Room 204, City Hall, 215 Church Avenue, Oshkosh,

54901), and online at www.ci.oshkosh.wi.us on the Department of Community Development's web page. In addition, the City will provide a reasonable number of free copies of the plan to citizens and groups that request it.

The notice will include information on the public hearing that is held, including location, date, and time.

3. The published notice in the *Oshkosh Northwestern* (described above) will initiate a 30-day period to receive comments from citizens on the consolidated plan.
4. During the preparation of the consolidated plan, the City of Oshkosh will consider any comments or views received at public hearings or by other means (telephone, email, etc.). A summary of these comments or views, and a summary of any comments or views not accepted and the reasons therefore, will be attached as an appendix to the consolidated plan.
5. Amendments to the Consolidated Plan. The City of Oshkosh will amend the plan if, during the program year, it is decided not to carry out an activity described in the annual action plan, propose a new project, or to substantially change the purpose, scope, location, or beneficiaries of an activity. For purposes of this Plan, the criteria for substantial is defined to be an action which increases or decreases an project category (Housing & Neighborhood Development, Public Services, etc.) by an amount equal to or in excess of ten percent (10%) of the current entitlement grant, or if the location of a project is changed in a manner that would deprive persons originally included of specific benefits. A public hearing to amend the action plan would be held before the Common Council. Public notice, as outlined previously in this Plan, would be used to provide citizens an opportunity to comment on the proposed amendment.

A period of not less than 30 days will be provided to receive comments on the substantial amendment before the amendment is implemented.

During the preparation of substantial amendments to the consolidated plan, the City of Oshkosh will consider any comments or views received at public hearings or by other means (telephone, email, etc.). A summary of these comments or views, and a summary of any comments or views not accepted and the reasons therefore, will be attached as an appendix to the substantial amendment to the consolidated plan

6. Performance Reports. A period of not less than 15 days will be provided in order to receive comments on the Consolidated Annual Performance and Evaluation Report (CAPER) prior to the submission of the report to HUD. The CAPER is due to HUD within 90 days of the end of the program year. The City of Oshkosh's program year ends April 30; therefore, the performance report is due to HUD by the end of July. Thus, this review period will typically be conducted during July.

Notice of the period to review and comment will be printed as a legal notice in the *Oshkosh Northwestern*. Copies will be available for review at the Department of Community Development and online at www.ci.oshkosh.wi.us on the Department of Community Development's web page. Comments or view of citizens will be accepted in both written and oral formats (at public hearings). A summary of these comments or views will be attached to the CAPER and submitted to HUD.

7. Public Hearings. The Department of Community Development will hold a minimum of two public hearings at two different stages of the program year to obtain citizen's views and to respond to questions and comments.

Notice will be provided a minimum of 10 days in advance of the public hearing and published in the *Oshkosh Northwestern*.

The hearings will address housing and community development needs, development of proposed activities, and review of program performance. The hearings will be held at times and locations convenient to potential and actual beneficiaries, and in locations accessible by persons with disabilities. Specifically, these hearings will be held in locations that are ADA accessible. Typically, these meetings will be held at City Hall, which is in the central business district and central to the majority of low and moderate income (LMI) census tracts and block groups and therefore in close proximity to CDBG-funded projects.

In instances where a significant number of non-English speaking residents can be reasonably expected to attend, the City of Oshkosh will make arrangements to provide interpreters.

8. Meetings. Meetings held regarding development of the consolidated plan, substantial amendments, annual action plan, and the performance report will be held in a place and at a time reasonably accessible.
9. Availability to the Public. The consolidated plan as adopted, substantial amendments, annual action plan, and the performance report will be available to the public in the following locations:
 - a. Department of Community Development
 - b. City of Oshkosh's website, www2.ci.oshkosh.wi.us on the Department of Community Development, Planning Division web page.

The Department of Community Development will, upon request, make available these documents in a form accessible to persons with disabilities.

10. Access to Records. The City of Oshkosh will provide citizens, public agencies, and other interested parties with reasonable and timely access to information and records relating to the consolidated plan and the use of assistance in HUD programs.

11. Technical Assistance. Upon request and where applicable, technical assistance will be provided to groups representative of persons of low and moderate income that request such assistance in developing proposals for funding assistance under any of the programs covered by the consolidated plan. The assistance need not include the provision of funds to the groups.
12. Complaints. Citizens dissatisfied with any aspect of the consolidated plan, substantial amendments, annual action plan, and the performance report are advised to contact the Department of Community Development. If a citizen feels their complaint or grievance has not been satisfactorily addressed through discussion, the citizen may file a written statement. The Department of Community Development will provide a written response to the complaint within 15 working days. All written complaints or grievances, and the City's response will be forwarded to the Milwaukee Area Office of the U.S. Department of Housing and Urban Development for review. Complainants will also be provided with the name and address of a HUD representative whom they may contact directly.

RESOLUTION

(CARRIED 7-0 LOST _____ LAID OVER _____ WITHDRAWN _____)

PURPOSE: ACCEPT & APPROVE 2012 ANALYSIS OF IMPEDIMENTS TO FAIR HOUSING CHOICE AS AN ELEMENT OF THE COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

INITIATED BY: COMMUNITY DEVELOPMENT

WHEREAS, as a community development block grant entitlement community, the City of Oshkosh is required to certify to the Department of Housing and Urban Development (HUD) that it will affirmatively further fair housing; and

WHEREAS, MSA Professional Services Inc. was hired to complete an Analysis of Impediments (AI) to Fair Housing Choice and said AI identifies fair housing concerns and impediments, and recommends planning strategies that the City can undertake to further fair housing within the community.

NOW, THEREFORE BE IT RESOLVED by the Common Council of the City of Oshkosh that the City hereby accepts the 2012 Analysis of Impediments to Fair Housing Choice, as prepared by MSA Professional Services Inc.

BE IT FURTHER RESOLVED that the Common Council affirmatively furthers fair housing opportunities within the City by approving the 2012 Analysis of Impediments, on file at the City Clerk's Office, as an element of the Community Development Block Grant Program, and authorizes the proper City officials to notify HUD of its acceptance and approval.

BE IT FURTHER RESOLVED that the proper City officials are authorized to take necessary steps to implement the recommendations to address impediments to fair housing in Oshkosh as identified in the 2012 Analysis of Impediments to Fair Housing Choice.

I. Executive Summary

I.1. Purpose

The purpose of the Analysis of Impediments to Fair Housing Choice (AI) is to make sure that the City of Oshkosh is working to affirmatively further fair housing. The basic purpose of the Fair Housing Act is to ensure that people are not denied housing opportunities because of their race, color, national origin, religion, sex, disability, or membership of another protected class. Fair housing impediments include actions or conditions that have the effect of unfairly restricting housing choices for people because of their protected class status, whether that effect is intended or unintended.

Ultimately, the AI identifies fair housing concerns and develops planning strategies that will be included in overall community planning and development. The AI planning process provides an opportunity to look at the “big picture” in regard to housing, discrimination, and community development issues.

I.2. Overview of Study

In 2012, the City of Oshkosh hired MSA Professional Services to complete an AI for the City. The AI combines data available from a wide variety of sources, including population, demographic, economic and housing data from the US Census, American Community Survey, Home Mortgage Disclosure Act data, and the City of Oshkosh. This data review and analysis was combined with information gathered during a series of focus groups with housing and social service professionals.

Both the primary information that was gathered and the secondary data that was analyzed point to a similar set of at-risk groups and possible impediments.

I.3. Impediments to Fair Housing Choice in the City of Oshkosh, WI

Administrative Impediments (Public and Private)

- Poor Understanding of Fair Housing Rights and Complaint Procedures
- Inadequate Support for Non-English Speaking Residents

Regulatory Impediments (Public)

- Misleading Fair Housing Ordinance

Quality Impediments (Private)

- Poor Condition of Housing Stock

Supply Impediments (Private)

- Inadequate Supply of Appropriate Housing for Residents with Disabilities

Transportation Impediments (Public)

- Lack of Adequate Transportation Options in Some Parts of the City

Financial Impediments (Private)

- Lack of Loans to Minorities

I.4. Summary of Actions

	Responsible Party	Timeline
Actions to alleviate Administrative Impediments		
Increase knowledge and awareness of fair housing		
Offer more outreach education on fair housing rights and complaints	Community Development Dept	Continual
Revise the City website to make fair housing info easier to find	City IT Department	Immediate
Revise outreach materials to include local examples of illegal discrimination	Community Development Dept	Short-Term
Improve support for non-english speaking residents		
Identify and fund translation services for use by City staff and landlords, etc.	Community Development Dept	Immediate
Include information about translation services in all outreach efforts and materials	Community Development Dept	Immediate
Actions to alleviate Regulatory Impediments		
Update the City's Fair Housing Ordinance		
Add to City Ordinance section 16 all protected classes identified by the State of Wisconsin, and definitions of each; remove the exemption for owner-occupied buildings; consider eliminating the Commission on Equal Opportunities in Housing	City Council	Short-Term
Actions to alleviate Quality Impediments		
Improve the quality of rental housing in the City		
Create a rental registry program that ensures proactive inspections of units for safety and code compliance	Community Development Dept	Short-Term
Enhance landlord and renter education materials and training to incorporate information about mold	Community Development Dept	Short-Term
Actions to alleviate Supply Impediments		
Improve the supply of housing for residents with disabilities		
Continue to offer home improvement loans to income-qualified residents to assist with the cost of accessibility retrofits, and emphasize "visibility"	Community Development Dept	Continual
Encourage the development of more units in the City that incorporate universal design principles. Create a pamphlet that describes universal design and identifies design support resources.	Community Development Dept, Plan Commission, City Council	Continual
Offer builder and developer training in universal design techniques and encourage their application in all new development.	Community Development Dept	Annual
Actions to alleviate Financial/Affordability Impediments		
Improve transportation options in growth areas		
Work with GO Transit to reduce headway on service to tracts 16 and 17	Community Development Dept, GO Transit	Short-Term
Ensure all new streets are complete streets, and improve pedestrian connectivity to the north side	Community Development Dept, Engineering	Short-Term
Actions to alleviate Financial Impediments		
Improve the rate of home ownership among minority residents		
Provide more credit and home-buying education to citizens, especially minority residents	Community Development Dept	Continual
Provide education and information for local lenders on predatory lending practices	Community Development Dept	Continual

II. Introduction

The City of Oshkosh has been an entitlement community of the U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) program since 1974. This means that the city receives federal CDBG program funding on a formula basis annually.

HUD requires that entitlement communities prepare a Consolidated Plan every five years. The Plan includes an assessment of community needs and goals for spending CDBG funding to address those needs in the context of CDBG eligible activities. The goals will serve as the criteria against which HUD will evaluate the city's Consolidated Plan and its performance under the Plan.

Fair housing is equal opportunity housing. It is the right for all people to obtain housing, of their choice, without discrimination. Provisions to affirmatively further fair housing (AFFH) are fundamental components of the Department of Housing and Urban Development's (HUD) community development and housing programs. These provisions stem from the Fair Housing Act¹; a section of which required HUD to administer the department's programs in a manner that fulfills their AFFH obligation.

HUD maintains several Community Planning and Development Programs (CDP), though the City of Oshkosh participates in just one - the Community Development Block Grant (CDBG). As recipients of these funds, HUD requires the City of Oshkosh to work to affirmatively further fair housing. Although a grantee's AFFH obligations arise in connection to their receipt of federal funding, the obligations extend to all housing and housing-related activities in the grantee's jurisdictional area whether publically or privately funded.

To a large extent, *how* to fulfill the obligation to AFFH has never been defined statutorily; however, HUD defines it as requiring a grantee to:

- Conduct an analysis to identify impediments (AI) to fair housing choice within the jurisdiction
- Take appropriate actions to overcome any impediments identified through the analysis
- Maintain AFFH records.

The core component of fair housing law is the definition of illegal discrimination. The Federal Civil Rights Act and Fair Housing Amendments established protected classes: protected classes are groups of people who share a characteristic that historically has been used as the reason for discrimination. These characteristics have no relevance as to whether or not a person will make a good tenant or homeowner. As such, these groups are protected from housing discrimination under federal, state, and local laws. These different levels of government have different sets of protected classes; however, all three laws are applicable within the City of Oshkosh.

Table II-1 displays the protected classes at federal, state, and local levels.

¹ Title VIII of the Civil Rights Act of 1968 (also known as the Fair Housing Act) prohibits discrimination in the sale, rental, and financing of dwellings based on race, color, religion, sex, or national origin. Title VII has been amended since its original adoption in 1968 to include more protected classes. Refer to www.hud.gov/offices/fheo/progdesc/title8.cfm for other laws which have fair housing components.

Table II-1: Summary of Protected Classes

Protected Class	Federal (42 U.S.C 3602)	Wisconsin (Wis. Stat. 106.50(1))	Oshkosh (Sec 16-4 (A))
Race	✓	✓	✓
Color	✓	✓	✓
Religion	✓	✓	✓
Sex/Gender	✓	✓	✓
National Origin	✓	✓	✓
Handicap/Disability	✓	✓	✓
Familial Status	✓	✓	✓
Sexual Orientation		✓	
Marital Status		✓	
Ancestry		✓	✓
Lawful Source of Income		✓	
Age		✓	
Status as a victim of Domestic abuse, sexual abuse, or stalking (limited protections)		✓	

Certain housing types are exempted from discrimination prohibitions under Federal, State and local fair housing laws.

Federal Exemptions:

- Any single-family house sold or rented by an owner if they do not own more than three single-family houses at one time
- Owner-occupied housing, if the building has four or fewer units
- Religious organizations can limit the sale, rental or occupancy of dwellings, which it owns or operates for other than a commercial purpose to persons of the same religion, or from giving preference to such persons of the same religion, unless membership in such religion is restricted on account of race, color, or national origin.
- Private clubs can limit the rental or occupancy of lodgings which it owns or operates for other than a commercial purpose to its members or from giving preference to its members
- Housing primarily intended and operated for older persons, under certain conditions, may be restricted to persons over a certain age
- Persons convicted by any court of competent jurisdiction of the illegal manufacture or distribution of a controlled substance

State Exemptions:

- Housing primarily intended and operated for older persons, under certain conditions, may be restricted to persons over a certain age
- A person may exact different or more stringent terms or conditions for financing housing based on the age of the individual applicant for financing if the terms and conditions are reasonably related to the individual applicant
- The development of housing designed specifically for person with disabilities and preference in favor of persons with disabilities in relation to such housing
- Housing can be restricted from an individual whose tenancy would constitute a direct threat to the safety of other tenants or persons employed on the property or whose tenancy would result in

substantial physical damage to the property of others, if the risk of direct threat or damage cannot be eliminated or sufficiently reduced through reasonable accommodations.

- A family with “too many” people may be turned away, if a reasonable government requirement limits the number of occupants for the dwelling unit.
- Advertisements for a person of the same sex as the individual who seeks a person to share the dwelling unit for which the advertisement or written notice is placed

City of Oshkosh Exemptions:

- Owner-occupied housing, if the building has four or fewer units²
- The prohibition of discrimination based on familial status does not apply to housing for older persons

Impediments to fair housing choice are defined as:

- Direct impediments: any actions, omissions, or decisions taken because of race, color, religion, sex, disability, familial status, national origin, or other protected class which restrict housing choices or the availability of housing choices, and
- Indirect impediments: any actions, omissions, or decisions which have this effect

Any policies, practices, or procedures that may appear neutral but operate to deny or adversely affect the availability of housing to a person may be considered an impediment.

To the best extent possible, the following Analysis of Impediments to Fair Housing Choice defines the existence, nature, extent, and causes of fair housing problems within Oshkosh, and the resources available to solve them. It is the goal of this document and the process by which it was created to identify any issues within the City of Oshkosh that are preventing persons from having access to housing of their choice without illegal discrimination.

² Note that the exemption for owner-occupied buildings with four or fewer units is not consistent with State law.

III. Oshkosh Background Information

The following section summarizes background data for the City of Oshkosh. Much of the data was derived from secondary sources, consisting primarily of the U.S. Census and the American Community Survey.

III.1. A word of caution about the data

Caution should be used when interpreting the data from secondary sources. The United States has transitioned from the Census long-form to the American Community Survey (ACS). The majority of the data that the American Community Survey collects is from a sample of the total population; and therefore, is subject to both sampling errors (deviations from the true population) and non-sampling errors (human and processing errors). The ACS is released every year and covers all of the social, economic, housing, and demographic questions that previously were covered by the Census long-form. The 2010 Census only collected data on gender, age, race, ethnicity, relationship, and whether the respondent owned or rented their home.

Unlike the Census, which attempts to take a snapshot of the population on April 1st, the ACS provides rolling estimates over a period of 1-5 years, depending on community size. Oshkosh gets one-year estimates. Because the data is “smoothed out” over the time period, it is near impossible to pinpoint specific changes that may have occurred during the time period. The majority of the data in this document is from the ACS 2011 1-Year Estimate. Because this data is only an estimate, the ACS data may not accurately represent housing conditions within the City, especially at the census tract level. Due to the fundamental differences in data, Census data and ACS data cannot be compared with each other. When comparing ACS data, it is necessary to take the margin of error (MOE) into account. Numbers that may appear to be different may not actually be *statistically significantly* different. It is important to note the source of any of the data herein and understand the caveats that accompany it.³

While data collection is a necessary part of the process to prepare an AI, it is also important to remember that the AI is meant to be a practical document that identifies impediments to fair housing choice and suggests a systematic plan to remove them. For the most part, the

<i>Quick Facts</i>	
66,083	Population of Oshkosh
26,138	Total households
9.5	% minority
\$19,683	Per capita income

³For more information on the ACS and how to appropriately interpret the data, visit www.census.gov

community is aware of impediments, and those that are not clearly presented in the data will be identified through the focus group process described in a subsequent section of this document.

III.2. Demographics

The population in the City of Oshkosh has grown continuously over the last 30 years, with the highest change in population of 14.4% from 1990 to 2000. According to the 2010 census, the population in the City of Oshkosh is 66,083. This is approximately 39.6% of the population of Winnebago County, down from 42.4% in 2000. Percentages of Winnebago County population residing in surrounding municipalities, including Appleton, Neenah, Menasha, and Winneconne, have remained fairly constant over the last 30 years. This indicates a shift in population from the urban core to the suburbs.

Figure III-1 (following page) shows the population density by Census tract for the City of Oshkosh. The most densely populated tract in the City is CT 7 near the University of Wisconsin-Oshkosh. Tracts 1, 2, 5 and 8 are the next most densely populated tracts.

Figure III-1: Population Density by Census Tract

Figure III-2 tracks the racial mix of the City of Oshkosh over the past 20 years. As the overall population grows, the percentage of the population that identifies as a minority is also increasing

(from 3.4% in 1990 to 9.5% in 2010). According to the 2010 Census, the City of Oshkosh is approximately 90.5% White, 3.1% Black, 3.2% Asian, 3.2% Other, and 2.7% Hispanic. Hispanic persons can be of any race. Those identifying as “Other” are the fastest growing group (from 0.88% in 1990 to 3.2% in 2010), with those identifying as Hispanic are the second fastest growing group. Hmong and Laotian accounted for 2.4% (1493) of Oshkosh’s total estimated population in 2000 (from “The Remaking of a City: Oshkosh Wisconsin- Revised/Updated by Al Felice 11/16/10 <http://diversitycontact.wordpress.com/2010/11/16/the-remaking-of-a-city-oshkosh-wisconsin-revisedupdated/>)

Figure III-2: Population by Race

Source: 2010 Census, City of Oshkosh Comprehensive Plan
 * Hispanic can be of any race

Figure III-3(following page) shows minority concentration by Census Tract for the City of Oshkosh. As illustrated, the northern two census tracts – 16 and 17 – have a disproportionately high concentration of minority residents, each more than double the 9.5% average minority population.

Figure III-3: Minority Concentration by Census Tract

Source: 2010 US Census

Table III-1 shows the percentage of people in the City of Oshkosh with a disability. As might be expected, the age group with the greatest prevalence of disability is those residents aged 65 and older (38.60%). This data affirms the assumption that it is the elderly population in greatest need of accessible housing.

Table III-1: Percent of Population with a Disability

Age Group	Percent
Under 5 years	0.00%
5 to 17 years	5.30%
18 to 64 years	9.60%
65 years or older	38.60%

Source: ACS 2011 1-Year Estimate

Figure III-4 (following page) indicates the geographic distribution of residents over age 65. While 12.9% of residents were over age 65 in 2010, there are three tracts where this older population exceeds 20% - CTs 10, 11 and 14. Based on the prevalence of disability in this population, these tracts have an elevated need for disability accommodations.

Figure III-4: Percent of Population over age 65 by Census Tract

Source: 2010 US Census

III.3. Income and Poverty

According to the 2011 American Community Survey, the median household income in the City of Oshkosh was \$39,387. While we cannot directly compare ACS data with previous Census data, this does show an increase in household income within the City. Despite this, the median household income in the City is 17.5% less than the median household income in Winnebago County (\$47,763) and 22% less than the State of Wisconsin (\$50,395). See Figure III-5 to see how the City compares with Winnebago County, the State of Wisconsin and the United States.

Figure III-5: Median Income in the Past 12 Months (in 2011 Inflation-Adjusted Dollars)

Source: 2011 ACS 1-Year Estimates

Figure III-6 and Figure III-7 (following page) show that the lowest median incomes are in the central city and the north side. Census Tracts 5 and 7 have the lowest median incomes when compared to the rest of the City. These tracts have a high student population. Figure III-8 (page 16) highlights those tracts (2, 5, 7, 17) that have a median income lower than 80% of the City median income. Note that these include a tract on the north side, CT 17, which does not have a large student population.

Figure III-6: Median Household Income by Census Tract

Source: 2006-2010 ACS 5-Year Estimate

Figure III-7: Map of Median Household Income by Census Tract

Source: 2006-2010 American Community Survey

Figure III-8: 80% or Less of City Median Income by Census

Tract

According to Figure III-9, the City of Oshkosh has a relatively high percentage of poverty. The number of individuals in the City that are currently below the poverty line is 18.2%; compared to 13.4% of the individuals in Winnebago County, 13.1% of the individuals in Wisconsin, and

15.9% nation-wide.

Figure III-9: Poverty Status in the Past 12 Months

Source: 2011 ACS 1-Year Estimates

Approximately 9.7% of the families in the City are below the poverty line, while 8% of the families within the County are below the poverty line, as indicated in Table III-2.

Table III-2: Income and Poverty Trends within the City of Oshkosh

	1990	2000	2011 (1 Year Est.)
Per Capita Income	\$ 11,843	\$ 18,964	\$ 20,013
Median Family Income	\$ 31,773	\$ 48,843	\$ 54,532
Median Household Income	\$ 25,168	\$ 37,636	\$ 39,387
% Individuals Below Poverty Line	12.6%	10.2%	18.2%
% Families Below Poverty Line		5.2%	9.7%

Source: ACS 2011 1 Year Estimate

Figure III-10 shows the percent of persons below the poverty level by Census tract. The two Census Tracts with the greatest percentage of individuals beneath the poverty line are CT 5 and CT 7. Both of the tracts have high student populations. Students often do not have a job, but receive money from sources that will not be reflected in the Census (e.g. their parents paying

their rent, etc). This does not mean that non-students living in these tracts do not also fall below

the poverty line. The next three Census Tracts with the highest percentage of individuals beneath the poverty line are CT 1, CT 2 and CT 17.

Figure III-10: Percent of Persons below Poverty by Census Tract

Source 2006-2010 ACS

While CT 5 and CT 7 are consistently ranked at the bottom of the City’s Census tracts for some income and poverty indicators, it is interesting to look at the percentage of individuals who are receiving food stamps (SNAP benefits) and Supplemental Security Income in other tracts. See Figure III-11: Social Security, Food Stamps and Supplemental Security by Census Tract.

Food stamp and SSI programs are often used as proxies to measure levels of poverty. As Figure III-11 shows, the tracts with more than 10% using food stamps include CT 1, CT 2, CT 9, CT 15 and CT 17, suggesting that it is these Census tracts have a high percentage of individuals who are truly struggling with poverty. In contrast, CT 7, which has a reported 70% of residents with income below the poverty level, has less than 3% of residents receiving food stamps, among the lowest in the city.

Figure III-11: Social Security, Food Stamps and Supplemental Security by Census Tract

Source: 2006-2010 ACS

Figure III-12 shows the poverty status of specific racial, gender, and household type subsets of the Oshkosh population, with the corresponding statewide data for reference. As expected based on the overall poverty data, each subset of the local population has a higher percentage of people living with poverty than statewide. Consistent with the statewide data, African Americans, Asians, Hispanics, and female-headed households all have notably higher rates of poverty than the community average. These findings indicate that low-income residents of Oshkosh are disproportionately non-white and/or female-led households. As such, they are therefore more likely to experience any negative housing outcomes associated with low incomes than the majority population.

Figure III-12: Selected Characteristics of People at Specific Levels of Poverty

* The data is cumulative. Everyone who is less than 50% is also less than 100% and less than 125%
 Source: 2005-2009 ACS

III.4. Economic Background

While this document focuses primarily on housing trends within the City, it is important to also mention various employment and transportation trends which directly and indirectly affect the ability of all persons to have access to safe, decent, and affordable housing.

The State of Wisconsin lost more than 137,000 jobs during the economic downturn that overwhelmed the nation from 2007-2009. Figure III-13 shows the unemployment rate for the Oshkosh–Neenah/Winnebago County MSA has fared better than the State and the nation as a whole. The City of Oshkosh appears to be recovering more quickly than Winnebago County and the State of Wisconsin. Table III-3 shows the largest employers in the City of Oshkosh. The presence of health care, university, and military-contract manufacturing employers on this list is consistent with the relatively low unemployment in the area.

Figure III-13: Unemployment Rates 2006-2011

Source: Wisconsin Department of Workforce Development

Table III-3: Largest Employers in the City of Oshkosh

Employer	Number of Employees
Oshkosh Corporation	> 1,000 Employees
Bemis (all Oshkosh locations)	> 1,000 Employees
University of Wisconsin Oshkosh	> 1,000 Employees
Oshkosh Area School District	> 1,000 Employees
Winnebago County	500-999
Aurora Medical Center & Medical Group	500-999
US Bank	500-999
Miles Kimball Company	500-999

Affinity- Mercy Medical Center 500-999

Source: Wisconsin Department of Workforce Development

Figure III-14 shows that in general, Oshkosh city residents have a commute that is shorter than the commutes typical to both Winnebago County and the State of Wisconsin. This indicates that there are employment opportunities within the city available to local residents and travel times within the city are relatively short.

Figure III-14: Travel Time to Work

Source: 2011 ACS 1-Year Estimate

III.5. Transportation Options and Commute

Because the City of Oshkosh is a relatively small city, the size minimizes the significance of the spatial relationship between resident and job opportunities. Nevertheless, it is imperative that the City continue to provide transportation options, especially for lower income and disabled residents.

Transit

According to the Oshkosh Transit Development Plan (July 2011), there were 3,217 average daily boardings (ADB). The ADB is down 7.2% from 2004. GO Transit (rebranded in 2012) consists of 9 fixed routes and 3 school routes offering transportation throughout the area, with most routes operating Monday through Saturday. Roughly 52% of GO Transit riders use the bus service to get to work or school.

The routes with the highest daily boardings are routes 9 (Ninth Avenue), 6 (UWO/North Sawyer), 2 (Bowen Street) and 4 (North Main). These routes constitute 57.6% of all riders. In 2009, there were 1,077,426 unlinked riders⁴. GO Transit also offers paratransit services for individuals with disabilities.

Figure III-15 shows the GO Transit route map with overlays that include Census Tract outlines, public housing locations, and housing voucher recipient locations. This map shows that 30-minute bus service is available throughout most Census tracts and parts of the City, with the exception of CT 16 and CT 17, and most of the identified low-income housing sites are on or within walking distance of one of the routes. The line that serves CT 16 and CT 17 is the “Neenah” line, offering service between Oshkosh and Neenah. This route does not deviate into the neighborhood from the Jackson St. arterial (except at Logan Drive), and, unlike the other routes, it operates on a 90-minute schedule instead of a 30-minute schedule.

Figure III-15: GO Transit Route Map with 2012 Public Housing Sites (yellow dots) and Housing Voucher Recipients (green dots)

Source: Oshkosh/Winnebago County Housing Authority, GO Transit

⁴ Unlinked passengers represent the total number of boardings including all transfers on the system.

III.6. Housing Stock

The Census defines a household as all persons occupying a housing unit whether related or unrelated. A housing unit includes a house, an apartment, a mobile home, a group of rooms, or a single room that is occupied as separate living quarters. Most of the housing stock in the City of Oshkosh (59% of all units) is single-family residential. Forty percent of housing stock within the City is multi-family, meaning two or more units in the same structure (this includes duplex houses). One percent of the housing stock is mobile homes. See Figure III-16 for a graphic breakdown of housing unit types in the City of Oshkosh.

Figure III-16: Housing Unit Type in the City of Oshkosh (% with Each Number)

Source: 2011 ACS 1-Year Estimates

Persons not living in households are classified as living in group quarters. Group quarters include non-institutional settings such as dormitories and institution settings such as prisons. According to the 2010 US Census, 11% of the City's population lived in group quarters. Fifty-four percent of those living in group quarters were institutionalized in correctional facilities for adults and skilled nursing facilities. University housing for students was the largest noninstitutionalized population. Table III-4 shows the breakdown of group quarters in the City of Oshkosh.

Table III-4: Group Quarters Population by Group Quarters Type

	Number	Percent
Institutionalized Population	4,056	54%
Correctional Facilities for Adults	2,888	71%
Nursing facilities/Skilled-Nursing Facilities	974	24%
Other Institutional Facilities	194	5%
Noninstitutionalized Population	3,464	46%
College/University Student Housing	3,195	92%
Other Noninstitutionalized Facilities ⁵	269	8%
Total Population Living in Group Quarters	7,520	100%

Source: 2011 ACS 1-Year Estimates

Figure III-17 shows that a substantial portion of the housing stock in Oshkosh was built before World War II - almost 30% of the housing was built before 1939. Older housing is in many cases affordable as compared to newer construction, but older homes also tend to have higher repair and maintenance costs and also higher energy costs due to inadequate or inefficient building and heating systems.

⁵ "Other Noninstitutionalized Facilities" include emergency shelters, group homes for adults, residential treatment centers, religious group quarters, and workers; group living quarters.

Figure III-17: Year Residential Structure Built

Source: 2011 ACS 1-year estimate

Figure III-18 shows the median age of housing stock, by tract. It illustrates a natural pattern of growth and development – tracts with a median build date of 1939 (1, 2, 5, 7, 8, 12, 15) are close to the center of the city, and those with the youngest median build dates are the tracts at the periphery.

Figure III-18: Median Year Structure Built by Census Tract

Source: 2006-2010 ACS 5-year estimate

Figure III-19 shows that the age of the housing stock has some correlation to the median income in each census tract, consistent with the common trend of higher-income residents choosing to live in newer, larger homes in younger neighborhoods that typically have newer, higher-performing schools.

Figure III-19: Year Built Compared to Median Income by Census Tract

Source: 2006-2010 ACS 5-year estimate

Figure III-20 shows that while much of the housing stock is more than 70 years old, most residents have lived in their homes less than 5 years.

Figure III-20: Year Moved to Current Home

Source: 2011 ACS 1-Year Estimates

The City of Oshkosh has a high ratio of renters to home owners. Approximately 44% of occupied housing units in the City were renter-occupied as of the 2010 Census; see Figure III-21. By comparison, approximately 35% of occupied housing units in the United States were renter-occupied that year.

Figure III-21: Owner-Occupied vs. Renter Occupied Housing Units

Source: 2011 ACS 1-Year Estimate

Figure III-22 shows the percentage of owner-occupied housing units vs. renter-occupied housing units per census tract. The tracts with the highest percentage of renter-occupied housing units are tracts 5 (69%) and 7 (88%). The University of Wisconsin-Oshkosh is located in tract 7, at the edge of tract 5, and so these numbers reflect the prevalence of student rentals in these areas. Other tracts with more than 50% rentals include 2, 10, and 11. See Figure III-23 (following page) for a map showing the percentage of renters per census tract.

Figure III-22: Percentage of Owner-Occupied vs. Renter-Occupied Housing Units by Census Tract

Source: 2010 US Census

Figure III-23: Percent Renters by Census Tract

Source: 2010 U.S. Census

Most of the housing stock in the City of Oshkosh is valued at less than \$150,000, as indicated in Figure III-24. Figure III-25 shows that the median value of housing has steadily increased since 1990. Figure III-26 (following page) illustrates the relationship between age and value of housing, indicating that older units tend to be of lower value than more recently constructed units. There is likely a unit size component to this also, as unit square footage increased steadily from the 1940's to the 2000's. Older units, while apparently more affordable, are also less likely to be handicap accessible, more likely to need repairs, and more likely to have poor energy performance.

III.7. Housing Affordability

Fair Market Rents

Each year, HUD releases Fair Market Rents (FMR) for metropolitan areas. FMRs are primarily used to determine standard payment amounts for the Housing Choice voucher program (Section 8); however, they can also be an illuminating measure of the affordability of the rental market. FMR must be high enough to permit a selection of units and neighborhoods, but this must be

balanced against the need to serve as many low-income families as possible with a fixed program

budget. Table III-5 shows that the Oshkosh-Neenah metro area is relatively affordable compared to other metro areas in the state.

Table III-5: HUD Fair Market Rent

Metro	Efficiency	1 Bedroom	2 Bedroom	3 Bedroom	4 Bedroom	Average
Eau Claire, WI	\$442	\$514	\$658	\$969	\$1,004	\$717
Green Bay, WI	\$425	\$517	\$685	\$978	\$1,005	\$722
Oshkosh-Neenah, WI	\$477	\$516	\$669	\$891	\$1,185	\$748
Racine, WI	\$539	\$543	\$733	\$961	\$980	\$751
Milwaukee-Waukesha-West Allis, WI	\$535	\$659	\$828	\$1,056	\$1,142	\$844
Kenosha County, WI	\$523	\$624	\$801	\$1,163	\$1,219	\$866
Madison, WI	\$614	\$734	\$889	\$1,226	\$1,366	\$966

Source: FY 2013 Fair Market Rent Documentation System-HUD

Gross Rent

Rent levels are also tracked and reported, using different data and methodology, by the US Census. The 2011 1-Year ACS Estimates show that the majority of rents in the City (54.1%) fall between \$500 and \$749; see Figure III-27. This is on par with Winnebago County as a whole, indicating that the city is no more or less affordable than the surrounding area. The median rent for Oshkosh of \$639 is approximately equal to Winnebago County overall (\$636).

Figure III-27: Gross Rent

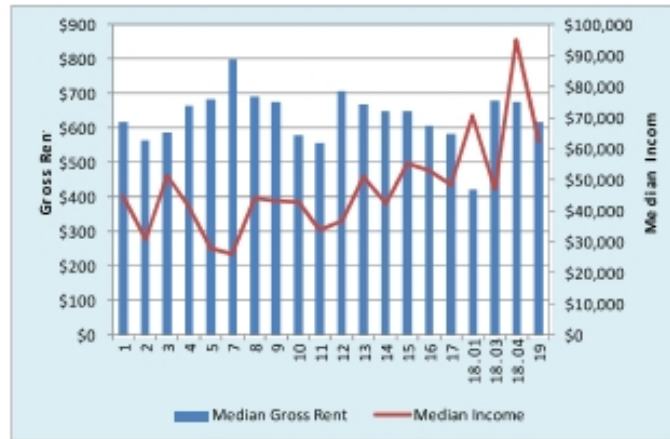

Source: 2011 ACS 1-Year Estimate

Figure III-28 shows gross rents compared to median income by census tract. Census tracts 5 and 7 are noteworthy – they have the highest gross rent and the lowest median income in the City. This likely reflects the fact that student rent is often subsidized by parents, and students are often

choosing to share rental units (sometimes beyond the limits of City ordinances) to distribute the cost, allowing property owners to keep the rents high. In contrast, Tract 18.01, which has relatively few rental units (28% of all units) has the lowest gross rent and second highest median income in the City.

Figure III-28: Median Gross Rent by Median Income by Census Tract

Source: 2006-2010 ACS 5-Year Estimates

Cost Burden

In general, housing is considered ‘affordable’ if housing costs do not exceed 30% of the household’s monthly income. According to the American Community Survey 2011 1-Year Estimates, many of Oshkosh’s residents are unable to find housing that meets the ‘affordable’ threshold; see Figure III-6. Specifically, 52.5% of renters and 28.3% of home-owners are not meeting the affordability threshold.

Table III-6: Selected Home Costs as a Percentage of Income

Selected Monthly Owner Costs as a Percentage of Household Income	Percent	Gross Rent as a Percentage of Household Income	Percent
		Less than 15%	8.60%
Less than 20%	39.0%	15.0% to 19.9%	21.40%
20% to 24.9%	17.4%	20% to 24.9%	9.80%
25% to 29.9%	15.2%	25% to 29.9%	7.70%
30% to 34.9%	9.6%	30% to 34.9%	4.70%
35% or more	18.7%	35% or more	47.80%
Not computed	39	Not computed	519

Source: 2011 ACS 1-Year Estimates

Taxes

Tax rates in the City of Oshkosh have increased slightly every year since 2005. Figure III-29 shows that the property tax rate has increase from \$21.29 per \$1,000 of value in 2005 to \$24.85 per \$1,000 of value in 2011 for a total increase of \$3.56 per \$1,000, or a difference of \$534 on a home valued at \$150,000.

Figure III-29: Oshkosh Property Tax Rate Trends 2005-2011

Source: Wisconsin Department of Revenue

Taxes in the City of Oshkosh are comparable with surrounding municipalities. Oshkosh pays more in property taxes than the Cities of Appleton (Outagamie County only) and Fond du Lac. The City of Neenah pays roughly the same amount as the City of Oshkosh and Menasha and Omro pay slightly higher taxes than Oshkosh. See Figure III-30.

Figure III-30: Comparison of Property Taxes between the City of Oshkosh and Surrounding Municipalities

Source: Wisconsin Department of Revenue

⁶ The City of Appleton's tax rate is only for the portion of the City in Outagamie County and the City of Menasha's tax rate is only for the portion of the City in Winnebago County. Both cities are in two counties.

III.8. Mortgage/Loan and Foreclosure Information

It is important to acknowledge the recent and continuing turmoil in real estate and financial markets. While the collapse of the subprime market in 2008 was that 'straw that broke the camel's back,' the groundwork of the ensuing foreclosure crisis had been brewing for decades. As long ago as when WWII was winding down, there have been patterns of refusing to extend

credit to low-income communities, especially communities of color. This practice, known as

redlining, opened up the floodgates for high-cost credit institutions to move in and prey upon

disadvantaged populations.

Today the effects of deregulations, predatory lending, and the subprime meltdown are still a factor as homes are lost to foreclosure. According to the HUD Neighborhood Stabilization Program, Census Tracts 2 and 12 had the greatest need as of the 2nd Quarter of 2010, based on HUD's methodology⁷. See Figure III-31 for a comparison of foreclosure scores by census tract. Note that these scores are on a scale of 1-20, and the Wisconsin threshold for NSP round 3 funding was a score of 11. Approximately 20% of Wisconsin census tracts were identified as "in need", including none in Oshkosh. However, this is a factor of the amount of NSP money available. In rounds 1 and 2, more money was available and tracts 1, 2, 4, 5, 12 and 15 were eligible due to their foreclosure risk scores.

⁷ HUD calculated need for neighborhood stabilization funding based on a formula that incorporated three factors in each census tract: A) Rate of Subprime Loans. This is measured with HMDA data on high cost and high leverage loans made between 2004 and 2007. These data are available at the Census Tract (neighborhood) level. B) Increase in Unemployment Rate between March 2005 and March 2010. These data are from the BLS Local Area Unemployment Statistics, at the city and county level. C) Fall in Home Value from Peak to Trough. Home value data at the Metropolitan Area level is available quarterly through March 2010 from the Federal Housing Finance Agency Home Price Index.

Figure III-31: Neighborhood Stabilization Score by Census Tract

Source: HUD Neighborhood Stabilization Program, 2010

The Home Mortgage Disclosure Act (HMDA) was enacted by Congress in 1975 and is implemented by the Federal Reserve Board’s Regulation. This regulation provides public loan data that can be used to assist in determining whether financial institutions are serving the

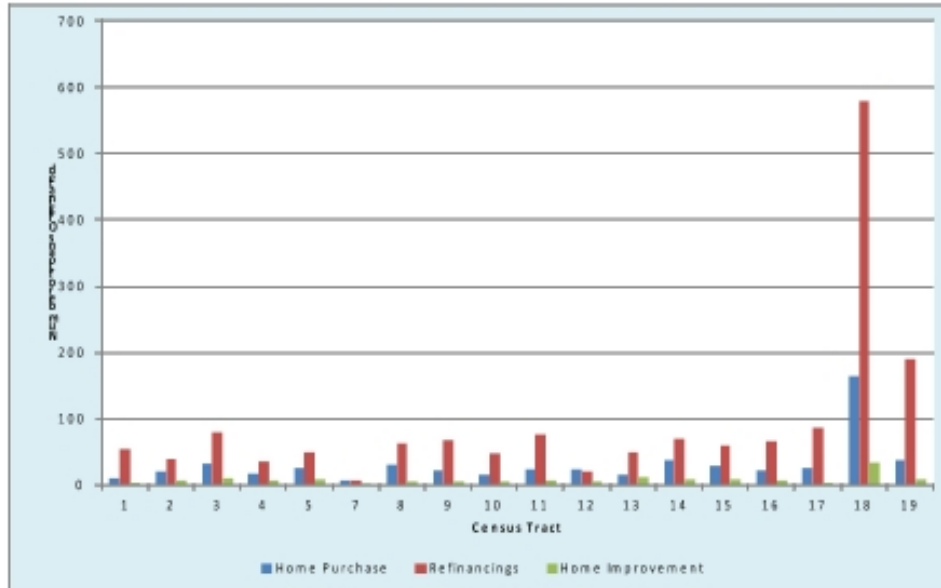

housing needs of their communities, helping public officials in distributing public-sector

investments, and identifying possible discriminatory lending patterns. This regulation applies to certain financial institutions, including banks, savings associations, credit unions, and other mortgage lending institutions. Institutions that meet certain minimum thresholds must disclose data regarding the disposition of applications for mortgage and home improvement loans in addition to data regarding loan originations and purchases. They are required to identify the race, sex, and income of loan applications, as well as the physical location of the subject property in census geography. Appendix C contains complete HMDA data for the City of Oshkosh.

For the purpose of this analysis, HMDA data was reviewed to identify and evaluate lending practices in relation to income, race, and geographical location. Unfortunately, information on both race and geographical location simultaneously is not provided due to the small sample size at the tract level. While large amounts of data are available and extensive analyses are possible, for the purpose of this analysis it is important to identify trends that may be affecting the City’s

ability to provide fair housing to all its residents. This analysis focuses on loans for 1-4 unit residences.

Figure III-32: Geographic Location of Loans

Source: HMDA Data, 2011 (Aggregate Table 1)

Figure III-32 shows that the most prevalent loan throughout the City is a refinancing loan. In particular, Census Tracts 18 and 19 have the highest number of refinancing loans. Census Tracts 14, 18 and 19 have the most home purchase loans (this includes both conventional loans and FHA, FSA/RHS & VA loans). There are not very many home improvement loans anywhere in the City, indicating that either the money or the will to fix up the aging housing stock is not available.

Figure III-33 indicates the percentage of all conventional home loans that originated to minority applicants in the Oshkosh metro area in 2011. The intent of this analysis is to consider how this outcome compares to the size of these populations in the area, and Figure III-34 (following page) provides that point of reference. The largest minority groups in the area are Asians (~2.4% of the total population), African Americans (~1.9%) and people of mixed race (~1.6%). By comparison, the percentages of loans originated to these minority groups in 2011 ranges from 0% to just over 2% within each of the income ranges shown. Given the small sample size, there is ample opportunity for minor data errors to have a large effect on these outcomes. With that caveat in mind, it does appear that minorities are somewhat less likely to secure home loans in the area than white residents. The most notable observation is the complete lack of loans to African Americans in all but the highest of the income ranges, and this is noteworthy especially

because of the disproportionate percentage of low-income residents that are African American (see Figure III-12). This lack of loans originated suggests lesser access to capital to enable home ownership, but it is not possible to identify the cause from this data. A review of the data in HMDA Aggregate Table 5-2 (see Appendix C) confirms that there were also very few applications for loans, mitigating the concern that African Americans are applying for loans but being turned down.

Figure III-33: Percentage of Loans Originated by Minority Status

Source: HMDA Data, 2011 Aggregate Table 5-2

Figure III-34: Percent of Minority Population in the Oshkosh-Neenah MSA

Source: 2011 ACS 1-Year Estimate

When examining the rest of the HMDA data, there are several other trends which indicate that minority and low-income persons are struggling to secure credit:

- Minorities are more likely to apply for loans through Fannie Mae, Ginnie Mae, Freddie Mac, than they are to apply through commercial banks, savings banks, insurance companies, mortgage banks or finance companies (See HDMA Aggregate Table 3-1 in the Appendix C).
- When examining conventional loan applications in 2011, there were a total of 1,267 applicants, of which only 12% were minority races. Only 13% of the conventional loans applied for were by

Hispanics. Roughly 72% of those loans were originated (See HDMA Aggregate Table 4-2 in Appendix C).

IV. Fair Housing Profile

IV.1. Fair Housing Programs and Activities

Overview

Fair housing activities in Oshkosh are coordinated by the Planning Services Division of the Community Development Department. Planning Services staff manage the Community Development Block Grant (CDBG) program, including:

- Planning and reporting activities required as a condition of CDBG funding (including this study),
- Distribution of funds to various entities that support neighborhood, housing and low to moderate income needs in the community; and
- Distribution of funds directly to property owners through the Housing Rehabilitation Loan Program

Over the past six years, CDBG funds have been utilized for two primary purposes: fair housing education and housing rehabilitation

Table IV-1: Fair Housing and Housing Rehabilitation funding by the City of Oshkosh (2007-2012)

	Fair Housing	Housing Rehabilitation	Total
2007	\$10,000.00	\$ 355,132.00	\$ 365,132.00
2008	\$ 9,625.00	\$ 289,180.00	\$ 298,805.00
2009	\$10,000.00	\$ 287,156.00	\$ 297,156.00
2010	\$10,000.00	\$ 330,397.00	\$ 340,397.00
2011	\$10,000.00	\$ 366,587.00	\$ 376,587.00
2012	\$10,000.00	\$ 436,751.00	\$ 446,751.00
Totals	\$59,625.00	\$ 2,065,203.00	\$ 2,124,828.00

Source: City of Oshkosh CAPER

Education Efforts

The City outsources most of its outreach and education efforts to the Fair Housing Center of Northeast Wisconsin (FHCNW). FHCNW conducts fair housing presentations (geared toward residents) and training sessions (geared toward housing industry professionals). Both City staff and FHCNW distribute education materials.

Housing rights education is also provided by the University of Wisconsin Extension. The Winnebago County Extension office offers the Rent Smart program, which was most recently conducted in September 2012 in the City of Menasha. Fair housing rights and the complaint process were one aspect of this two-part class conducted over two nights.

CDBG Program

Each year, the City of Oshkosh prepares an Action Plan for its usage of Community Development Block Grant (CDBG) allocations for the U.S. Department of Housing and Urban Development (HUD). The City also prepares a 5-Year Consolidated Plan to identify needs over a period of time. Assistance is directed primarily to census tracts with high rates of low-to-

moderate-income (LMI). Most of these LMI tracts are located within the oldest areas of the central city.

The City's current 5-Year Consolidated Plan (2010-2014) identifies three types of priority areas to allocate funding. These priority areas are as follows:

Priority 1 Areas include the "Near East Neighborhood," the "Broad/Bay Area Neighborhood," the "North Campus Neighborhood" and the "Near Southside Neighborhoods." These neighborhoods have the following characteristics.

- Higher renter-occupied rates than the rest of the City.
- High percentage of homes built before 1940 with median year structures lower than the City's median year structure of 1959.
- The median value of owner-occupied units ranges from 4% to 28% lower than the City's overall median value of \$85,500.

Priority 2 Areas includes a significant portion of the City's central area including Census Tracts 5, 7 and 12 as well as portions of Tracts 2, 4, 8, 9 and 15. These areas have the following characteristics.

- Higher renter-occupied rates than the rest of the City.
- Almost all of the housing stock in the area was constructed before the citywide median year of 1959.
- The median value of owner-occupied units ranges from 4% to 28% lower the City's overall median value of \$85,500.
- Most of the streets in this area are in need of major road repair.

Priority 3 Areas are located on the periphery of the Central City. These areas have been identified as areas that will need attention in the future (20 years) as the housing stock and community facilities age. These areas have the following characteristics:

- Percentage of homes built before 1940 is higher than the overall percentage.
- In general, structures are younger than the median year that houses were constructed in the City (1959).
- Median housing values range from 8% - 30% lower than the City's overall median value.

Funds spent in these priority areas are used for single/multi-family unit rehabilitation, homeownership assistance and preservation of historic residential structures. Additionally, public infrastructure projects are funded in the priority areas including neighborhood revitalization, redevelopment, streetscaping, community policing, landlord/tenant training programs and other community facilities and programs.

Figure IV-1(following page) shows the distribution of owner-occupied housing rehabilitation projects funded by the City of Oshkosh using CDBG funds between 2006 and 2012, as reported by the City.

Figure IV-1: Owner-Occupied Rehabilitation Projects

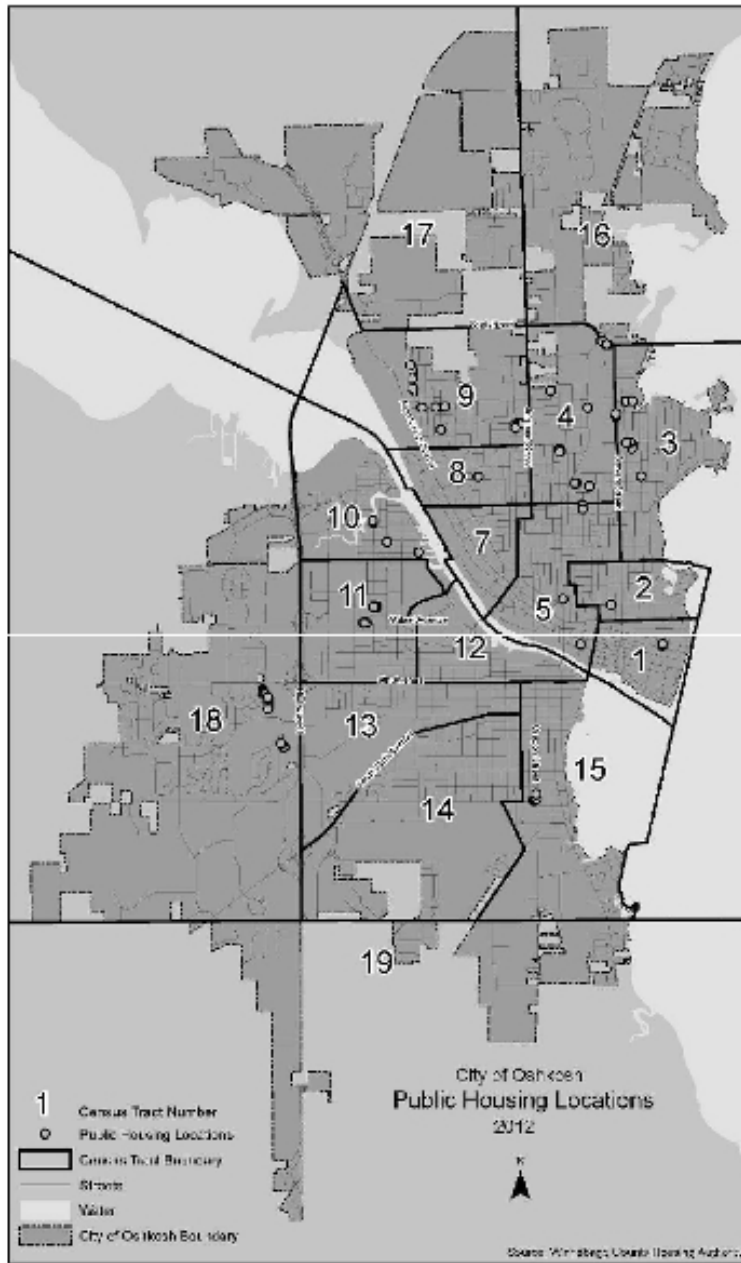

Source: City of Oshkosh

Oshkosh/Winnebago County Housing Authority

The Oshkosh/Winnebago County Housing Authority provides housing to LMI residents of the City/County. The Authority maintains over 650 public housing units for families, singles, elderly and disabled persons. The Authority also administers Housing Choice Vouchers (available from HUD), manages 6 group homes, coordinates a family self sufficiency program and facilitates a home ownership program. The mission of the Authority is to “promote and ensure safe, decent, and affordable housing for our participants, as well as provide owners and developers with an opportunity to rehabilitate and develop affordable housing.”

Figure IV-2(following page) shows the public housing locations managed by the Oshkosh/Winnebago County Housing Authority. Figure IV-3(page 44) shows the distribution of housing vouchers administered by the Authority. As illustrated, these maps are reasonably well distributed across the City. A comparison of these maps with the mapping of minority concentration (Figure III-3, page 11) and census tract income (Figure III-7, page 15) reveals no clear relationship between unit location and the median income or racial makeup of the surrounding area. This is a positive finding, as HUD requirements for the siting of public housing units specifically seek to avoid siting decisions that segregate minority populations (see 24 CFR §§ 1.4(b)(1)(iii) and 1.4(b)(3)). Instead, as illustrated in Figure III-15 (page 23), there is a spatial correlation between unit location and transit routes, such that most units are within walking distance of a bus route.

Figure IV-2: Public Housing Units

Source: Oshkosh/Winnebago County Housing Authority

Figure IV-3: Housing Voucher Recipients

Source: Oshkosh/Winnebago Housing Authority

Determination of Unlawful Segregation

Large-scale examples of segregated housing do not appear to exist in Oshkosh. No other determinations of unlawful segregation or other housing discrimination by a court or a finding of noncompliance by HUD under Title VI of the Civil Rights Act of 1964 or Section 504 of the Rehabilitation Act of 1973 or where the Secretary has issued a charge under the Fair Housing act regarding assisted housing have been made in the City of Oshkosh.

Minimum Housing Code and Residential Rental Inspection

The City of Oshkosh has a Minimum Housing Code to prevent the deterioration of residential housing stock and to assure a minimum level of housing standards. Rental and housing inspections and enforcement of the Minimum Housing Code is the responsibility of the Inspection Services Division of the Department of Community Development. The Division will conduct inspections of rental units for tenants at no charge when problems arise. Tenants are advised to work with their landlords to resolve problems prior to inspection.

Zoning Code

The City does not have restrictive zoning regulations that would prohibit housing development. The minimum size for new lots is 7,200 square feet, with a 25-foot setback on the front and rear yards and a 7.5-foot setback on the side yards. Dwelling units must be a minimum of 800 square feet (excluding cellar and attached garage). Undersized lots of record can be developed, generally averaging the setbacks of adjacent properties.

In general, there is nothing in the City's zoning code which is a glaring impediment to fair housing by unduly restricting or increasing the cost of housing development. There are, however, several elements of the zoning code of which the City ought to be mindful when updating the Zoning Code:

- In all zoning districts, no more than four unrelated persons may live in any single residential unit. This should not become more restrictive.
- In the R-1C Single Family Central Residence District, the percent of two family dwelling area permitted in a R-1C Single Family Central Residence District is a maximum of 20 percent of the total land area of any R-1C Single Family Central Residence District completely bounded on all sides by other zoning districts, exclusive of public right-of-ways, as determined by the Department of Community Development. This should not become more restrictive.
- Group homes are currently permitted by right in all residential districts. This should not become more restrictive.
- The minimum lot or unit sizes should not be increased.
- The minimum living area required per person is 150 square feet for the first person and 100 square feet for each additional person. This should not become more restrictive.
- The city permits use of manufactured housing meeting the applicable building codes. This type of housing unit can provide a more affordable housing alternative than conventional 'stick-built' housing and should not be further restricted.

IV.2. Fair Housing Complaints and Discrimination Suits

City of Oshkosh Fair Housing Complaint Process

As established by City of Oshkosh Ordinances Section 16, the City has a Commission on Equal Opportunity in Housing (Commission). As described, the Commission is responsible for fair housing enforcement, including receiving and investigating complaints, promoting settlement agreements, holding hearings as necessary, recommending enforcement measures, and recommending legislation. In practice, the City has not maintained or utilized this Commission in recent years. Instead, the City has been contracting with The Fair Housing Center of Northeast Wisconsin (FHCNW), which is a satellite office of the Metropolitan Milwaukee Fair Housing Council (Council). FHCNW receives and investigates complaints and promotes settlement agreements as necessary to resolve complaints.

Most housing-related complaints begin as phone calls, either to City Hall or directly to FHCNW. Calls to the City are directed to City planning staff. The housing planner answers any questions and determines whether the complaint is a fair housing issue or a legal issue not related to fair housing, and then refers the caller either to Legal Action or to FHCNW. Staff follows up on referrals to FHCNW with a phone call to their staff to notify them of the referral, and FHCNW then attempts to contact the complainant if the person did not contact them.

When FHCNW receives a complaint, whether as referral from the City or as a direct contact, the intake process is handled by staff in the Milwaukee office of the Fair Housing Council. The Council begins by interviewing the complainant to confirm that there is a possible violation of fair housing laws and what the violation was, including which protected class was involved. Based on this evaluation they may proceed to a full investigation to make their own determination as to the validity of the complaint, and will then counsel the complainant on their options, including attempts to seek a settlement or file a complaint.

If the complainant chooses to file a complaint, it must be submitted in writing and can be submitted by any person having personal knowledge of the facts constituting the alleged discriminatory practice. Complaints must be filed no later than one year from the alleged discriminatory action. Complaints can be filed either with the State of Wisconsin Equal Rights Division, or with the U.S. Department of Housing and Urban Development. The Fair Housing Council helps complainants file their complaint with either entity.

Documented Fair Housing Complaints and Discrimination Suits

Section 106.50 of the Wisconsin Statutes prohibits discrimination based on sex, race, color, sexual orientation, disability, religion, national origin, marital status, family status, lawful source of income, age or ancestry and authorizes the Department of Workforce Development-Equal Rights Division to promulgate such rules as are necessary to carry out this section (Wisconsin Administrative Code-Chapter 220-Fair Housing). The law may be enforced either by filing a complaint with the Equal Rights Division within one year of the complaint and going through the administrative hearing process or a civil action may be filed directly in court.

There are three layers of fair housing protections in place within the City of Oshkosh: the City, the State of Wisconsin, and the Federal Fair Housing Act. While the protected classes for each

layer of law differ slightly, a victim of fair housing discrimination can file a discrimination suit with any (or all) applicable layers of government, however

Since the previous City of Oshkosh Analysis of Impediments to Fair Housing adopted in October 2005, 27 fair housing complaints have been documented by the Metropolitan Milwaukee Fair Housing Council (Council). Most of the complaints filed were based on disability. Table IV- categorizes the 27 complaints by the basis of the complainants.

Table IV-2: Fair Housing Complaints Received by the City of Oshkosh (2006-2011)

Basis	Number of Cases	Percentage of Cases
Disability	13	37.14%
Race	7	20.00%
Familial Status	6	17.14%
Gender	5	14.29%
Age	2	5.71%
Lawful Source of Income	2	5.71%

Source: City of Oshkosh CAPER

Since the 2005 AI, there have been a total of eighteen cases filed through the State of Wisconsin. The State of Wisconsin Equal Rights Division (ERD) maintains records of complaints at the County level. ERD reports that between January 1, 2005 and December 31 2011, there were a total of 18 investigations in Winnebago County. See Table IV- for a breakdown of these fair housing complaints.

Table IV-3: Winnebago County Fair Housing Complaints-Wisconsin Equal Rights Division, 2005-2011

Initial Determination-No Probable Cause	8
Initial Determination-Probable Cause	10
Dismissed	3
Private Settlement	1
Failure to Cooperate/Respondent	2
Withdrawn	2
Not Taken	2

Source: Wisconsin Equal Rights Division

For the period 2007-2012, there were a total of six claims filed with the federal Department of Housing and Urban Development (HUD) for Winnebago County. Of the six listed cases, four complaints were based on disability and two were based on race. Three of the six complaints were found to have “no cause” and the other three cases were settled. These claims are recorded

on the county-level, so they may have occurred within the City or they may have occurred

outside municipal boundaries within the County of Winnebago.

See Appendix A for more detailed information about the complaints described above.

IV.3. Stakeholder Engagement

Interview and Focus Group Feedback

As part of the effort to identify and clarify impediments to fair housing in Oshkosh, two focus group discussions were conducted. The following groups were represented in these meetings: Energy Services, Inc., ADVOCAP, NeighborWorks, East Central Wisconsin Regional Planning Commission, Habitat for Humanity of Oshkosh, Red Cross, Fair Housing Center of Northeast Wisconsin, Fair Housing Council (Metro Milwaukee), State Senate, Winnebago County Housing Authority and the City of Oshkosh.

The discussion at these meetings is summarized below and organized by topic, including possible impediments to fair housing. Most of these issues are impediments to safe housing in some way, but only a portion are impediments to fair housing choice due to a disproportionate impact on members of a protected class. *Those considered to be true impediments to fair housing choice in the City of Oshkosh are italicized.*

While a reflection only of the opinions of the participants, they are the informed opinions of people who work in and understand housing issues in the City and region. These comments and observations therefore serve as the foundation for many of the recommended action items to improve fair housing choice.

Administrative Issues

- People don't know what constitutes a valid fair housing complaint, and there is confusion between fair housing law and landlord tenant laws.
- Reporting and pursuance of fair housing complaints is low.
- People who experience problems with tenant legal rights or fair housing issues tend not to complain or follow through with the process because they fear landlord retaliation or eviction.
- *There is a need for landlord education, especially for new landlords who are converting foreclosed homes into rental properties and do not know the rules and regulations of fair housing.*
- There is no rental inspection program or requirement.
- Prior City initiatives to improve code compliance seem to have disproportionately affected (required repair spending by) certain disadvantaged populations.
- New neighborhood associations are being formed. Minorities are generally unrepresented in these associations, and their interests may not be represented.
- Hmong residents seldom file housing-related complaints. Cultural resistance (shame of discrimination), a strong community network and language barriers may explain this.
- City housing staff members get requests for translation assistance, but are not sure who to call for assistance.
- Landlords may be hesitant to seek translator assistance because they are afraid they will have to pay for it.

Regulatory Issues

- There is a law in the City that requires a minimum of at least 40 square feet per person per bedroom, landlords sometimes use this to steer families to larger, more expensive units. [The

relevant ordinance is 16-36 (A)(1), which in fact requires 150 square feet for the first occupant and 100 square feet for each additional occupant]

- Code prohibits temporary wheelchair ramps. [Ordinance 30-35 (B)(5) permits ramps but does not address design standards or provisions for temporary structures. Staff indicated that temporary ramps – without footings – are permitted for up to 180 days.]
- Code violations are addressed only in a reactionary way – the City has one inspector who responds to complaints. Should probably have 3.
- Group homes are permitted in multiple zoning districts, but are routinely opposed by surrounding residents, especially in more affluent neighborhoods. Concerns include the presence of alcohol and drug addicts, loitering, and traffic. The City is working to address complaints about loitering around the home.

Housing Supply Issues

- There was concern expressed about a need for more independent living facilities in the City.

Housing Quality Issues

- The general opinion is that housing stock in the City is not in good shape, especially or mostly in the central neighborhoods. There are too many properties not compliant with current building codes.
- *Mold is a common issue. People who develop respiratory problems due to mold then find it difficult to find new housing because their efforts are hampered by their physical condition.*

Quality Issues Specific to Students

- There is a lack of quality of rental stock for students.
- Students don't know what's legal and what's not about housing standards (e.g. escape route requirements).
- City ordinance limits the number of unrelated people living together to four, but students are willing to live with more to a unit and/or in non-legal spaces. Quite often, not all of the tenants have been identified on lease documents.

Affordability/Financial Issues

- It is hard for low-to-moderate income residents to compete for safe, clean housing.
- Habitat for Humanity has a difficult time finding families that are willing to commit the required sweat equity. They are also finding it hard for families to meet today's strict lending requirements, especially due to the prevalence of personal bankruptcies.
- Hmong residents have been victimized by predatory lenders and brokers who are prequalifying mortgages without proper resources, and setting them up as a high foreclosure risk.
- Handicap-accessible units tend to be newer and more expensive.
- *Low-income residents with a handicap have few options.*
- *Although most landlords will make reasonable accommodations for people with disabilities, door widths are tough to fix and ramps are too expensive to build.*

Spatial Issues

- *Concerns about the Logan Drive area (north end of Jackson Street) were raised. This area, part of census tract 17, includes Section 8 and Section 42 units and has a large supply of handicap-accessible units. There are mobility problems for anyone without a personal vehicle – the area does not have sidewalks and the bus only stops every 90 minutes.*
- The 9th Avenue area has a high number of rental houses owned by small landlords (who tend to be less well informed about tenant rights and fair housing laws).

- Neighborhood stability has been a concern in areas of the City that are at least 50% rental. The Broad-Bay areawas identified.

Discriminatory Issues

- *Some owner-occupant landlords may be discriminating against (not renting to) renters with young children. The landlords and renters may not know that this is illegal.[Current City ordinance permits such discrimination in buildings with four or fewer units, but this is not consistent with State law.]*
- *Families with children are treated differently. Shorter leases and lease conditions that are not imposed on others is the most common form of discrimination.*
- *Larger families (e.g. 4 children) are steered from 2-bedroom units to lager units that are too expensive (though not necessarily because the family size would exceed the limits of the City ordinance).*
- *Families are often denied housing in favor of student renters since they are easier to rent to (less complaints from the renters).*
- *Some landlords will request the first and last month's rent as a strategy to turn people away. This is not a legal practice, though there is no specific knowledge of its use against members of a specific protected class.*
- *There have been instances of rental application denials due to the use of unemployment benefits as a stated income. This has become a larger issue over the last few years due to economic conditions.*
- *At least one landlord in the area is known to require a "representative payee" of renters known to be receiving rent money through social security or other public source*
- *Some landlords may be discriminating against potential tenants based on how people sound on the phone.*
- *Observation that banks have been more likely to maintain foreclosed homes in white neighborhoods than in minority and/or low income neighborhoods.*
- *People with certain mental health challenges may "act out" occasionally due to delusions or other forms of psychosis. These can result in complaints from neighbors and possible eviction.*
- *There is one known instance of a wheelchair-bound resident being asked to move for leaving scuff marks in hallways.*
- *Landlords often need to be informed that charges related to battery or domestic abuse are common, because state law requires that someone has to get charged if the police are called.*

Possible Actions suggested during the Focus Groups

- The housing coalition is working on updating the manual for landlord education.
- Student legal services could also help implement a landlord education Class.
- The City could benefit from builder workshops on universal design.

V. Identification of Impediments to Fair Housing Choice and Recommended Municipal Activities to Alleviate Impediments

The data collection and analysis, and the focus groups, revealed both real and perceived impediments to fair housing that could be addressed. This section details the most pervasive and realized impediments to fair housing and outlines recommended municipal activities that will help alleviate these impediments to fair housing.

V.1. Administrative Impediments (Public and Private)

Poor Understanding of Fair Housing Rights and Complaint Procedures

The low numbers of complaints and the focus group discussions strongly reinforce the need for more robust education efforts. There are too many landlords that don't know fair housing law, very few residents that know it, and fear or ignorance of the complaint process among residents. This is having the greatest impact on residents with low incomes or poor credit who are sometimes choosing to live in substandard units because they feel they have no viable alternative. It is imperative that the City actively *affirmatively further fair housing* and this means making sure that City residents are informed of their fair housing rights and how to file a claim.

Suggested Actions:

- Offer varied outreach activities throughout the year to reach both landlords and residents. Collaborate with the Housing Coalition and Student Legal Services to co-sponsor and promote outreach events.
- Revise the City website to make information about fair housing rights easier to find. Many people do not know that housing discrimination issues are referred to as "fair housing", nor is it intuitive to look for this information under "Planning Services". It is recommended that all housing-related topics currently listed under "Inspection Services" and "Planning Services" be consolidated in some way at a higher level in the directory structure, and "Fair Housing" be revised to "Fair Housing Rights" or similar.
- Include more examples of illegal discrimination in outreach activities and materials, especially highlighting situations known to have occurred in Oshkosh. Based on complaints received and the experience of housing-related professionals, examples should be sure to highlight the rights of disabled residents and families with children, and the rights and responsibilities of duplex (or multi-unit) owner-occupants with regard to who they are (and are not) allowed to turn away.

Inadequate Support for Non-English Speaking Residents

Staff reported uncertainty regarding who to call for translation assistance. Focus group participants reported landlord uncertainty as well, and resistance to reaching out due to the assumption that they would need to pay for such assistance. Language barriers are a clear impediment to housing choice. Residents who do not speak English are typically immigrants from other countries and are typically non-white, and are therefore protected classes.

Suggested Actions:

- Identify reliable translation assistance services that can be utilized by City staff and by landlords, realtors, lenders, etc (especially Spanish and Hmong) and establish funding for that assistance as necessary.

- Enhance landlord and renter education materials and training to incorporate information about translation services, including cost, and continue to offer fair housing materials in Hmong and Spanish.

V.2. Regulatory Impediments (Public)

Misleading Fair Housing Ordinance

The City's current Fair Housing ordinance includes an exemption for owner-occupied buildings with four or fewer units. This exemption matches Federal law but is inconsistent with State law, which has no such exemption. Both laws apply in Oshkosh and the exemption should be removed. Also, the City ordinance does not include all of the protected classes identified by state law. While the City has been accurately representing all of the state's protected classes in its fair housing literature, its own ordinance should be updated to match state law, to eliminate any confusion and as a matter of good policy. Finally, the City's ordinance describes the establishment and function Oshkosh Commission on Equal Opportunity in Housing, but in practice there is no functioning commission. There is no requirement to have such a commission.

Suggested Actions:

- Amend Section 16-4 of the City Municipal Code to incorporate all of the protected classes identified by State Statute 106.5. The amendment should add marital status; sexual orientation; lawful source of income; age; and status as a victim of domestic abuse, sexual abuse, or stalking; and should add definitions for these terms.
- Amend Section 16-5 of the City Municipal Code to remove the exemption for owner-occupied dwellings.
- Amend Sections 16-3, 16-7 and 16-8 to eliminate the Commission on Equal Opportunity in Housing.

V.3. Quality Impediments (Private)

Poor Condition of Housing Stock

There is broad concern about living conditions for those with limited financial means. Many apartments are substandard in some way and protected classes are more likely than others to rent such units and experience poorer living conditions.

Suggested Actions:

- Create a rental registry program that ensures proactive inspections of units for safety and code compliance. Incorporate fair housing information into the registration materials and process.
- Enhance landlord and renter education materials and training to incorporate information about mold, including health risks, prevention, and clean-up resources.

V.4. Supply Impediments (Private)

Inadequate Supply of Appropriate Housing for Residents with Disabilities

The greatest number of recorded complaints over the past 5+ years are related to disability. Focus group participants reinforced this finding, reporting limited options for disabled residents, and especially low-income disabled residents because most of the accessible units are newer and

more expensive than the older, inaccessible units. This is an impediment that disproportionately affects older residents due to the prevalence of disability among residents over age 65.

Suggested Actions:

- Continue to offer home improvement loans to income-qualified residents to assist with the cost of accessibility retrofits, and require or encourage that funded projects result in “visitability”, which includes a no-step entry, one wheelchair accessible bathroom, and 32” doorways and on the main level.
- Encourage the development of more units in the City that incorporate universal design principles. Create a pamphlet that describes universal design, the need for more units that accommodate residents with disabilities, and identifies design support resources.
- Work with local developers and builders to offer training in universal design techniques and encourage their application in all new development, not just designated “accessible units”.

V.5. Transportation Impediments (Public)

Lack of Adequate Transportation Options in Some Parts of the City

Alternative transportation resources for residents who cannot drive are generally adequate, with some important exceptions. There are some key streets and neighborhoods that have neither sidewalks nor good bus service. A noteworthy example is the multifamily apartments on Logan Drive, off of North Jackson Street. These units include handicap-accessible units at reasonable prices, but the lack of sidewalks or frequent bus service limits the options for some residents to adequately meet their daily needs.

Suggested Actions:

- Work with GO Transit to review transit accessibility across the City, and especially in Census Tracts 16 and 17. Evaluate the feasibility of reducing headway on service to northern parts of the city to 30 minutes.
- Ensure the provision of complete streets, including safe bike and pedestrian pathways, whenever streets are built or reconstructed. Work with the adjoining town governments and Winnebago County to ensure adequate bike and pedestrian linkages where pockets of Town land remain within the City’s growth area, especially to establish connectivity from the north side (tracts 16 and 17) to other parts of the City.

V.6. Financial Impediments (Private)

Lack of Loans to Minorities

The HDMA data show that minorities, especially African Americans, are less likely to originate a conventional loan. If they secure a loan, it is more likely to be a non-conventional loan. The inability to secure a mortgage, refinance, or home improvement loan is clearly a barrier to housing choice. If this barrier is higher for members of a protected class, it is an impediment that the City should work to eliminate.

Suggested Actions:

- Provide more credit and home-buying education to citizens, especially minority residents.
- Provide education and information for local lenders on predatory lending practices, to ensure that efforts to reduce the racial disparities in loan origination do not have the unintended consequence of increased rates of default and foreclosure among minority borrowers

VI. Appendices

Appendix A: Fair Housing Complaints

As compiled by the City of Oshkosh in the annual CAPER, 2006-2011:

2006 CAPER (excerpt)

interacting with tenants in a fair and legal manner. Five fair housing complaint intakes were opened and closed during the program year – two on the basis of race and three on the basis of ability/disability.

2007 CAPER (excerpt)

Activities undertaken by contracted services - The Fair Housing Center of Northeast Wisconsin (FHCNW) received \$10,000 in 2007 CDBG funds. The FHCNW is the local affiliate of the Metropolitan Milwaukee Fair Housing Council. FHCNW processed 2 fair housing complaints, six interagency meetings, 48 community outreach contacts, conducted six fair housing presentations reaching 92 Winnebago County/Oshkosh Housing Authority potential clients and conducted one seminar (rental management training and Housing Authority and other nonprofit staff training) during the Program Year. Topics covered included: local, state and federal fair housing law, contemporary forms of discrimination in the housing market, remedies available for discrimination and how complaints are processed/investigated. Of the two fair housing complaint intakes that were opened and closed during the program year – one was on the basis of gender and one was on the basis of ability/disability.

2008 CAPER (excerpt)

Activities undertaken by contracted services - The Fair Housing Center of Northeast Wisconsin (FHCNW) received \$9,625 in 2008 CDBG funds. The FHCNW is the local affiliate of the Metropolitan Milwaukee Fair Housing Council. FHCNW fortunately did not need to process any fair housing complaints but 30 persons received fair housing referral services for non-fair housing issues (evictions, lease issues, code violations,

2009 CAPER (excerpt)

Activities undertaken by contracted services - The Fair Housing Center of Northeast Wisconsin (FHCNW) received \$10,000 in 2009 CDBG funds. The FHCNW is the local affiliate of the Metropolitan Milwaukee Fair Housing Council. FHCNW conducted six fair housing complaints as follows:

PY 2009 FAIR HOUSING COMPLAINTS					
Date	Race	Sex	Number in Family	Income Level	Basis of Complaint
8/25/09	White	Female	2	Low	Disability
9/16/09	White	Female	1	Low	Disability/Age
1/15/10	White	Female	4	Ex-Low/None	Sex, Familial Status
3/4/10	White	Female	6	N/A	Familial Status
4/14/10	African American	Female	1	Low	Race
4/16/10	White	Female	2	N/A	Sex

2010 CAPER (excerpt)

Activities undertaken by contracted services – In 2010, the Fair Housing Center of Northeast Wisconsin (FHCNW) received \$10,000 in CDBG funds. FHCNW is the local affiliate of the Metropolitan Milwaukee Fair Housing Council. FHCNW investigated six (6) fair housing complaints as follows:

PY 2010 FAIR HOUSING COMPLAINTS					
Date	Race	Sex	Number in Family	Income Level	Basis of Complaint
5/12/10	African – American	Male	3	Extremely Low Income	Race
9/28/10	Hispanic	Female	2	N/A	Lawful Source of Income
10/5/10	African – American	Female	2	Low Income	Race, Disability
11/30/10	White	Female	3	None	Disability, Familial Status, Sex
2/28/11	White	Female	3	N/A	Sex, Marital Status
3/17/11	White	Female	4	N/A	Familial Status

2011 CAPER (excerpt)

Activities undertaken by contracted services – In 2011, the Fair Housing Center of Northeast Wisconsin (FHCNW) received \$10,000 in CDBG funds. FHCNW is the local affiliate of the Metropolitan Milwaukee Fair Housing Council. FHCNW investigated eight (8) fair housing complaints as follows:

PY 2011 FAIR HOUSING COMPLAINTS					
Date	Race	Sex	Number in Family	Income Level	Basis of Complaint
6/9/11	White	Female	3	NA	Race
10/12/11	White	Female	2	NA	Disability
11/1/11	White	Female	2	Low	Disability, Familial Status
11/2/11	African American	Male	2	Low	Race, Age
11/14/11	White	Female	1	Low	Disability
12/6/11	White	Female	1	Low	Disability
2/27/12	White	Female	2	Extremely Low	Lawful source of income
4/2/12	White	Male	1	Extremely Low	Disability

As compiled and reported by the State of Wisconsin Civil Rights Bureau:

As Program Supervisor for Civil Rights I have access to some Civil Rights case data which maybe what you need. Our records retention are for 6 years after case closure. The numbers below are for Winnebago County and cover the years of January 1, 2005 through December 31, 2011.

Winnebago County had a total of 18 investigations with the following outcomes: Initial Determination - No Probable Cause - 8 Initial Determination - Probable Cause - 3 Dismissed - Failure to Cooperate/Respondent - 2 Dismissed - Withdrawn - 2 Dismissed - Not taken - 2 Dismissed - Private Settlement 1

*I hope this information is helpful.
Sincerely,*

*Appendix B: Fair Housing Ordinance (Oshkosh Ordinance Chapter 16, Division 2)***DIVISION 2. FAIR HOUSING****SECTION 16-3 DEFINITIONS**

- (A) "Commission" shall mean the Oshkosh Commission on Equal Opportunities in Housing and "Commissioner" shall mean a member thereof.
- (B) "Complainant" shall mean any person who files a complaint with the Commission pursuant to this Division.
- (C) "Dwelling" shall mean any building, structure, or portion thereof which is occupied as, or designated or intended for occupancy as, a residence by one or more families, and any vacant land which is offered for sale or lease by the construction or location thereon of any such building, structure, or portion thereof.
- (D) "Familial status" shall mean one or more individuals who have not reached the age of 18 living with a parent or another person having legal custody of such individual or individuals, or the designee of such parent or other person having such custody with the written permission of such parent or other person. This shall also apply to any person who is pregnant or is in the process of securing legal custody of any individual who is not 18 years of age.
- (E) "Handicap" means, with respect to a person, a physical or mental impairment which substantially limits one or more of such person's major life activities, a record of such impairment, or being regarded as having such impairment.
- (F) "Housing" shall include any room, apartment, house, building or trailer or structure any part of which is used or offered for use for human habitation on a temporary or permanent basis, or land, whether or not vacant.
- (G) "Owner" shall include a person who has any part of the fee interest, including a person who has a life estate.
- (H) "Owner occupied dwelling" shall mean housing in which the owner thereof maintains his permanent living quarters.
- (I) "Persons" shall include any individual, partnership, labor or other association, corporation, legal representative, receiver, trustee, trustee in bankruptcy or other fiduciary, or the lessee, proprietor, manager, employee or any other agent of such person.
- (J) "Respondent" shall mean any person named in any complaint filed, against whom an allegation of prohibited discriminatory practice under this Division.

SECTION 16-4 ACTS PROHIBITED BY THIS DIVISION

(A) It Shall Be a Prohibited Discriminatory Practice for Any Person to:

- (1) Discriminate in real property transactions.
Refuse to sell, lease, sublease, rent or in any other manner deny, withhold, or impair the transfer of title, leasehold or any other interest in any part of any housing, when such refusal is based upon race, color, sex, religion, ancestry, national origin, familial status, or handicap of the person refused.
- (2) Discriminate in lending money for purchase or improvement of Property.
Refuse to lend money, guaranty any loan, accept any mortgage or in any other manner make available any funds or resources for the construction, acquisition, purchase, rehabilitation, repair or maintenance of any housing when such refusal is based upon race, color, sex, religion, ancestry, national origin, familial status, or handicap of the person refused; or
- (3) Discriminatorily refuse to furnish services.
Refuse to furnish for any housing such facilities or services ordinarily provided pursuant to legal duty, when such refusal is based upon race, color, sex, religion, ancestry, national origin, familial status, or handicap of the person refused.
- (4) To coerce, intimidate, threaten, or interfere with any person in the exercise or enjoyment of, or on account of having exercised or enjoyed, or on account of having aided or encouraged any other person in the exercise or enjoyment of any right protected by this Division.
- (5) For an owner of residential rental property to refuse to permit a handicapped tenant to make reasonable modification, at the tenant's own expense, of the premises if the proposed modifications are necessary for the full use of the premises by the tenant.

(B) Public Communication Indicating Intent to Violate Paragraph (A) Above Prohibited

It shall be prohibited discriminatory practice of any person to print, publish, circulate, issue, display, post, mail or communicate in any other way any announcement, statement, advertisement, publication or sign, the import of which indicates a decision or purpose to do any act prohibited under Section (A).

(C) Rights of Owner

- (1) Nothing in this Division shall be deemed to prohibit an owner or the agent from requiring that any person who seeks to buy, rent or lease any housing supply information concerning family, marital, financial and business status.
- (2) Nothing in this Division shall be deemed to prohibit an owner or the agent from refusing to sell, rent or lease any housing to any person on the basis of treatment of any property formerly occupied by the person or on the basis of the person's record in paying rent or other obligations when due.
- (3) When it is reasonable to do so, permission granted by an owner to permit a handicapped tenant, at the tenant's expense, to make reasonable modifications to a premises may be conditioned upon the renter or lessee agreeing to restore the premises to the condition that existed prior to the modification, reasonable wear and tear excepted.

SECTION 16-5 EXEMPTIONS

- (A) No prohibition in this Division shall apply to an offer or advertisement to lease or rent, or to the lease or rental of, rooms or units in dwellings containing living quarters occupied or intended to be occupied by no more than four families living independently of each other where the owner occupies one of the living quarters.
- (B) The prohibition in this division against discrimination based on familial status does not apply to housing for older persons.
- (1) As used in this subdivision, "housing for older persons" means housing:
- (a) Provided under any State or Federal program that is specifically designed and operated to assist elderly persons (as defined in the state or federal program); or
 - (b) Intended for, and solely occupied by, persons 62 years of age or older; or
 - (c) Intended and operated for occupancy by at least one person 55 years of age or older per unit. Housing for older persons under this paragraph shall contain at least the following factors:
 - (I) Significant facilities and services specifically designed to meet the physical or social needs of older persons, or if the provision of such facilities and services is not practicable, the provider may demonstrate that such housing is necessary to provide important housing opportunities for older persons; and
 - (II) At least 80 percent of the units are occupied by at least one person 55 years of age or older per unit; and
 - (III) The publication of, and adherence to, policies and procedures which demonstrate an intent by the owner or manager to provide housing for persons 55 years of age or older.
- (2) Housing shall not fail to meet the requirements for housing for older persons by reasons of:
- (a) Persons residing in such housing as of the date of enactment of this Ordinance who do not meet the age requirements of subparagraph (b) or (c) above, provided that new occupants of such housing meet the age requirements of subparagraph (c) above.
 - (b) Unoccupied units, provided that such units are reserved for occupancy by persons who meet the age requirements of subparagraph (c) above.

SECTION 16-6 REPEALED

SECTION 16-7 POWERS AND DUTIES OF COMMISSION

The Commission on Equal Opportunity in Housing shall have the following powers and duties:

- (A) Adopt Rules
To adopt, amend, publish and rescind rules for governing its meetings and hearings; and for implementation of this Division.
- (B) Receive and Investigate Complaints
To receive and authorize staff investigation of all complaints alleging any discriminatory practice prohibited by this Division.
- (C) Promote Settlement Agreements
The Commission shall seek a settlement agreeable to both the complainant and the respondent by means of informal conferences.
- (D) Hearings
To hold hearings, if necessary, after efforts at settlement based on complaints made against any person, to administer oaths and take testimony, to compel the production of books, papers and other documents relating to any matter involved in the complaint, and to subpoena witnesses and compel their attendance.
- (E) Recommend Enforcement Measures
To make recommendations for enforcement of this Division to the City Attorney.
- (F) Recommend Legislation to Council
To recommend to the City Council any legislation necessary to promote further the purposes of this Division and to file annual written reports of its work with the City Council.

SECTION 16-8 ENFORCEMENT PROCEDURES

- (A) Complaint
Any complaint alleging any discriminatory practices prohibited by this Division shall be reduced to writing and verified by the complainant. Such complaints may be initiated by any person having personal knowledge of the facts constituting the alleged discriminatory practice. All complaints shall contain the following:
 - (1) The name and address of the complainant, and of the person allegedly discriminated against, if different.
 - (2) The name and address of the respondent or respondents.
 - (3) A statement setting forth the facts constituting the alleged discriminatory practice, and
 - (4) The date or dates of the alleged discriminatory practice.
- (B) Where Filed
Complaints shall be filed with the City Clerk who shall transmit the same to the Commission Chairperson and Secretary.
- (C) When Filed
Complaints alleging any discriminatory practice prohibited by this Division shall be filed no later than 1 year from the termination or occurrence of an alleged discriminatory practice.

- (D) Notice to Respondent
The Commission shall provide a copy of the complaint to the respondent within ten (10) days of said filing. The respondent shall have ten (10) days after receipt of the complaint to file a response with the Commission.
- (E) Amendment and Withdrawal
A complaint may be amended or withdrawn by the complainant at any time with and subject to the approval of the Commission or its designated agent and under such terms as the agent shall direct.
- (F) Investigation, Conciliation and Hearings
- (1) The Chairperson shall direct the Secretary, or the Secretary's designee, to promptly investigate all duly filed complaints. Within thirty (30) days of such filing, the Secretary or the Secretary's designee shall file a report of said investigation with the Commission.
 - (2) Conciliation may be undertaken by the Secretary or the Secretary's designee who shall file a report of said conciliation with the Commission. The action authorized by subsection (3) below may be delayed, on order of the Chairperson, pending a report of such conciliation which shall be filed within sixty (60) days of appointment of the conciliator.
 - (3) Upon filing the report of the investigation and/or conciliation, and within seventy (70) days of filing of the complaint, the Commission shall by majority vote of the members present and voting, make a preliminary determination whether there is probable cause to believe that discrimination did occur. If there is no finding of probable cause, the case will be closed and the claimant and respondent promptly notified.
 - (4) If the Commission determines probable cause exists to believe discrimination occurred, then the Commission shall conduct a hearing to determine facts upon which to base a recommendation for prosecution to the City Attorney. Said hearing shall be conducted within eight-five (85) days of filing the complaint. The complainant and respondent may but need not be represented at said hearing by an attorney. The Commission may subpoena witnesses and compel testimony.
 - (5) At the conclusion of the hearing, the Commission shall by majority vote of those members present and voting, make a final determination whether there is probable cause to believe that discrimination did occur. If there is no finding of probable cause, the case will be closed and the claimant and respondent promptly notified. If there is a finding of probable cause, the Commission shall promptly notify the claimant and respondent of the finding and no later than one hundred (100) days of filing the complaint, recommend to the City Attorney that prosecution be commenced.
 - (6) No Commissioner who has filed a complaint on the Commissioner's own initiative or who has
 - (7) If any person fails to attend such hearing or to testify when subpoenaed, the Commission may refer such refusal to the City Attorney who shall seek judicial enforcement of such subpoenas.

SECTION 16-9 LIBERAL CONSTRUCTION; SEVERABILITY

- (A) The provisions of this division shall be liberally construed in order to promote the purposes and provisions contained herein.
- (1) It is the intention of the City Council that this be interpreted consistently with Title VIII of the Civil Rights act of 1968 (42 USC Sec. 3601-3619) as amended, and with regulations applicable thereto (24 CAR Parts 4, 100, 103, 110, 115 and 121) except where the language of this subsection clearly requires a different interpretation.
- (B) The provisions of this Division are severable and if any provision, sentence, clause, section or part thereof is held illegal, invalid, unconstitutional or inapplicable to any person or circumstance, such illegality invalidity, unconstitutionality or inapplicability shall not affect or impair any of the remaining provisions, sentences, clauses, Sections or parts of the Division or their application to other person or circumstances. It is hereby declared to be the legislative intent that this Division would have been adopted if such illegal, invalid, unconstitutional or inapplicable provision, sentence, clause, Section or part thereof had not been included therein, and if the person or circumstances to which the Division or any part thereof is inapplicable had been specifically exempted therefrom.

ASSURANCES - CONSTRUCTION PROGRAMS

OMB Number: 4010-0009
 Expiration Date: 01/31/2013

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant

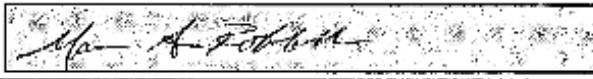

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (51 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§9801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1688), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-265), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 200 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

Previous Edition Usable

Authorized for Local Reproduction

Standard Form 424-D (Rev. 7-97)
 Prescribed by OMB Circular A-102

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hixon Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §674), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11890; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§400a-1 et seq).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
20. Will comply with the requirements of Section 108(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

ASSURANCES - NON-CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (3348-0040), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1863, and 1685-1626), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (20 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of acohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§801 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1506 and 7324-7326) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333), regarding labor standards for federally-assisted construction subagreements.
10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11980; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11595 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§468a-1 et seq.).
14. Will comply with P.L. 95-345 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.
15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2151 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.
16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
19. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

Standard Form 424H (Rev. 7-97) Back

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing --The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-711, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 135.

Title

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation – It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 590.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds – It has complied with the following criteria:

1. **Maximum Feasible Priority.** With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slacks or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. **Overall Benefit.** The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2018 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. **Special Assessments.** It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force – It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 C.F.R. Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

Title _____

OPTIONAL Community Development Block Grant Certification

Submit the following certification only when one or more of the activities in the action plan are designed to meet other community development needs having particular urgency as specified in 24 CFR 570.208(c):

The grantee hereby certifies that the Annual Plan includes one or more specifically identified CDBG-assisted activities which are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs.

Signature of Authorized Official

Title

Specific HOME Certifications

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If it plans to provide tenant-based rental assistance, the tenant-based rental assistance is an essential element of its consolidated plan.

Eligible Activities and Costs -- It is using and will use HOME funds for eligible activities and costs, as described in 24 CFR §§92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214.

Subsidy layering -- Before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance that is necessary to provide affordable housing;

Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

Major rehabilitation/conversion/renovation – If an emergency shelter's rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal, State, local, and private assistance available for these individuals.

Matching Funds – The recipient will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

Discharge Policy – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

Housing Opportunities for Persons With AIDS Certifications

The HOPWA grantee certifies that:

Activities -- Activities funded under the program will meet urgent needs that are not being met by available public and private sources.

Building -- Any building or structure assisted under that program shall be operated for the purpose specified in the consolidated plan:

1. For a period of not less than 10 years in the case of assistance involving new construction, substantial rehabilitation, or acquisition of a facility,
2. For a period of not less than 3 years in the case of assistance involving non-substantial rehabilitation or repair of a building or structure.
