Neighborhood Block Parties

Neighborhood Block Parties which require the closing of a street within the City of Oshkosh are considered a Special Event under the City's Special Event Ordinance and require Council approval for the event and closing the street.

In recognition that block parties, such as those described above, provide social interaction among block residents, generally affect only those residents within the immediate area of the street closure and can help strengthen a neighborhood; and that block parties are generally less complex than Special Events open to the community at large, the City has developed this application particular to block parties.

If your event does not meet this definition for any of the requirements below, you may apply for a special event permit using the special events application form available on the City's website or the Special Events Coordinator's office (Oshkosh Seniors Center South Building, 200 N. Campbell Rd.).

Please completed this form and return it to the Special Events Coordinator at least 45 days prior to the proposed Block Party event.

When completing this form, please keep in mind that the Council has previously indicated that closing of a street for a block party should be done at times and in such a manner as to minimize any adverse impact upon any of the street's residents. The timeframe for the street closure should generally fall sometime between 9:00 a.m. and 10:00 p.m.

Defining a Neighborhood Block Party

- Located on a residential city street and minimally impacts normal traffic patterns
- Attendance of 100 residents, their friends and family or less
- No sales of food, beverages or merchandise
- No consumption of alcohol on public right of ways (streets, sidewalks, terrace areas, etc.)
- No temporary structures (tents, port-a-lets, bounce houses, etc.) placed within the right of ways (streets, sidewalks, terrace areas, etc.)

The Special Events Coordinator will coordinate barricade delivery. However, you will be responsible for set-up and take-down of the barricades at the beginning and end of your block party event. Your application will be reviewed by city staff and any concerns or issues will be brought to your attention. After that review, your application will be forwarded to the City Council. The Special Events Coordinator will notify you of the Council's action.
