

CONSTRUCTION ACCESS AGREEMENT

Owner:	
Parcel Address:	
Parcel Number:	
Settlement Amount:	For Mutual Benefit
Purpose:	Installation of new or relayed storm laterals; installation of storm lateral inlets; removal and installation of sidewalk and driveways; root pruning; grading operations; lawn restoration; and installation of sidewalk curb, if necessary.

For the above stated amount, the undersigned owner(s) grant to the City of Oshkosh, a Construction Access Agreement to occupy and use the owner's land for the above-stated purposes; so long as required for such purpose, and to operate necessary equipment thereon, including the right to preserve, protect, remove, or plant any vegetation the authorities may deem desirable to prevent the erosion of soil.

The Construction Access Agreement, as described, will begin on the date of the final signature below, and except for warranty work, will terminate at the completion of the project. After completion of the project, the Construction Access Agreement will continue for the limited purpose of undertaking warranty work. City projects include a two (2) year warranty period, and the City must notify its Contractor of defects within that period. The City will send a reminder notice and contact information to property owners shortly before the warranty expiration.
