ADDITIONAL INFORMATION: \_\_\_\_\_

It is a CLASS H FELONY to intentionally use any personally identifying information of an individual, including a deceased individual, without the authorization or consent of the individual and by representing that one is the individual, or that they are acting with the authorization or consent of the individual per Wis. Stats. § 943.201(2). Misappropriating an individual's identity is also a federal offense, with penalties including imprisonment, fines, and forfeiture of any personal property used to commit the offense per 18 U.S.C. § 1028(a)(7).
