To:

Mayor & City Council

From:

Mark A. Rohloff

Subject:

2014 CITY OPERATING BUDGET

Presented herewith is the adopted budget for the City of Oshkosh for the 2014 fiscal year. The 2014 budget was adopted at the November 26, 2013 Council Meeting. The final document also reflects the budget amendment approved by Council on January 28, 2014. Prior to adoption, the Council held budget work sessions on October 21st, October 29th, November 6th, and November 20th, 2013. Additionally, an online public information presentation was made available during the budget process, and a public hearing was held on November 12, 2013. Input received at the work sessions and the public meetings were taken into consideration by the Council, which helped draft the final budget for adoption. The total general City budget for 2014 is \$67,856,800. This includes an operations budget of \$42,079,000; a debt service budget of \$18,054,300; and an agency fund budget of \$20,400. In addition, there are levies to support special funds, as noted below.

The revenues other than property taxes are \$35,825,800, resulting in a levy of \$32,031,000. This results in a 2013 local tax rate of \$9.281 per \$1,000 of assessed valuation. This is an increase of \$0.344 over the 2012 local tax rate.

The amounts in the final 2014 budget as compared to the 2013 budget are as follows:

	2014 ADOPTED	2013 ADOPTED	<u>% CHANGE</u>
Operating Budget	\$42,079,000	\$41,266,500	1.97%

Grand Opera House	\$73,000	\$66,200	10.27%
Senior Services	\$281,800	\$291,800	-3.43%
Recycling	\$0	\$404,700	-100.00%
Cemetery	\$261,100	\$274,800	-4.99%
	2014 ADOPTED	2013 ADOPTED	% CHANGE

The overall 2013 property tax rate increased by \$0.273 per \$1,000 of assessed valuation compared to the 2012 rate. The property tax rate increase for Oshkosh Area Schools was \$0.262 per \$1,000 of assessed valuation. The tax rate for Winnebago County decreased by \$0.323 per \$1,000 of assessed valuation. The tax rate for Fox Valley Technical College decreased by \$0.009 per \$1,000 of assessed valuation, and the state reforestation tax rate decreased by \$0.001 per \$1,000 of assessed valuation. The overall 2013 tax rate is \$26.145 per \$1,000 of assessed valuation, which is a 1.055% increase over the 2012 rate. The state tax credit increased, over the 2012 amount, by \$0.020 per \$1,000 of assessed valuation. Applying this to the overall tax rate, the net tax rate for 2013 is \$24.868 per \$1,000 of assessed valuation, or \$0.253 more per \$1,000 of assessed valuation than the net tax rate for 2012.

On an equalized tax rate basis, there is an increase in the rate for the City of Oshkosh portion of the tax bill. The 2012 equalized rate was \$8.864, and the 2013 equalized rate is \$9.281.

The City Council has adopted a budget with reductions in areas such as Parks, Engineering, and the Public Museum, but otherwise maintains current services for the Citizens of Oshkosh. City staff will continue to explore new cost effective and efficient means of providing services to citizens throughout 2014, and has adopted new fees to maintain services in our Recycling program as well as our water, wastewater, and storm water utilities. In doing so, the Council has continued its commitment to improving the City's infrastructure.

Budget Variances: The purpose of this budget is to account for the portion of Public Fire Protection that is currently being collect through the tax levy/bill rather than through the Utility bill. The Proposal for 2013 is to convert this amount on the Utility bills so that the entire charge for Public Fire Protection is collected through Utility charges. With 20 being the transition year, \$325,000 will be charged to this fund, and anticipating a PSC rate case in early 2013, second half of the year will be funded through the revised Utility charges. Budget Variances:

Emerald Ash Boer Mitigation (\$20,000)

Mission Statement:

The Forestry Division manages the care of trees on public property to include planting, pruning, removal, storm damage response, stump grinding and snow removal. The Forestry Division also is responsible for the maintenance and installation of floral beds, landscape features including roundabouts & administers plant health care on municipal properties

Links to City Strategic Plan:

- 1 Parks Plan
- 2 Visioning Study (Tree planting and landscape beautification)
- 3 Sustainability Plan (Tree planting, tree maintenance, storm water mitigation)
- 4 Preservation of the city's natural and recreational assets
- 5 Maintains inventory of natural assets (trees)

Significant Accomplishments:

Updated tree inventory to include Taking Root project tree additions

Improvements made to several landscape areas within the parks.

Completed I-Tree Streets analysis to measure benefits of urban trees in inventory.

Objectives to be Accomplished Next Year: Continue to assess and replace trees that did not perform through the Taking Root project

Mitigate Emerald Ash Borer in community.

Begin pilot project in canopy assessment contingent on DNR project funding.

Develop written maintenance plan for round-a-bouts and medians

Oshkosh area economic development organization

Mission Statement:

Oshkosh will be a premier community in the Fox Valley by developing and retaining a diverse mix of employees and employment opportunities thereby enabling continued success in the local, regional, and global economies. The city will have a skilled workforce and an environment fostering entrepreneurial activity. Oshkosh will revitalize its downtown, central city area, and Fox River corridor by eliminating blighting conditions and addressing environmentally contaminated property.

Links to City Strategic Plan:

Improve processes that support business retention and development and increase business retention and expansion lyisits

Create public/private financing partnerships to work on more funding opportunities for developers and business

2 owners

Support sustainable economic development in the community, update ED Element of Comp Plan, including Airport

- 3 element
- 4 Plan for multiple business/industrial parks expansion, create TIF guidelines, policies, and an application for future TIF's
- 5 Be more responsive to business owners and developers by refining site plan review process and timelines

Significant Accomplishments:

Opened up entire north shore Riverwalk

- Completed renovation of City Center Hotel
- Continued to expedite development projects and assist developers, engineers and contractors.
- Council adopted a Tax Increment Finance Policy.
- Discussions with public/private stakeholders for a new economic development organization.
- Completed a Targeted Industry Cluster Study in conjunction with area economic development partners.
- Closed out an additional 100 open projects in 2013.
- Purchased land for Aviation Business Park

Objectives to be Accomplished Next Year:

Open another Riverwalk section

Obtain grant funds to help install infrastructure in Aviation Business Park

Staff will incorporate lean processing initiatives for the city's plan review process.

- Implementation efforts for a new Oshkosh area economic development organization will continue.
- City may join the East Central Wisconsin Regional Revolving Loan Fund.
- City will create a locally administered Revolving Loan Fund

Budget Variances:

Increased plan review submittals, contracting inspections, weights and measures.

Mission Statement:

To Secure the Beneficial Interests of the Public's Health, Safety & Welfare in their Environment through the Enforcement of State & City Codes.

Links to City Strategic Plan:

- 1 Have met with contractors/ developers in site plan review meetings prior to plan submittal
- 2 Continued with all day coverage at service counter by an inspector
- 3 Have been inspecting older projects to verify compliance and issue occupancy permits
- 4 Contracted with outside contractor to perform commercial plan reviews
- Created a policy using Lean techniques to streamline approval process of building permits that require multiple department approvals

Significant Accomplishments:

- Approval granted by State to perform Commercial Building Plan review for any size building

 Continued on time performance goals of completing inspection within 48 hours of the time of a request
- Held quarterly meetings with Advisory Committee on Inspection Services in continuing efforts to improve communications and relations with contractors/ public.
- Hired Plumbing Inspector to perform Cross connection inspections
 - Continued to work with the IT Department on the permit software system. Improvements have been the ability to track a project with a project number, separated project descriptions into more clearly defined
- descriptions on permit categories, Added the ability to attach documents to a permit, created a more clearly defined zoning sign-off procedure.
 - Have continued to enforce property maintenance codes throughout the City with an emphasis on the
- Gateways.
- Have received prompt compliance for correction notices issued for code enforcement.
- Continued working with other City Departments in a site plan review committee to help streamline the
- ' submission and approval process of new commercial development.
- Have continued inspecting outstanding projects of previous years to verify code compliance
 Created a revised Inspection Services website with assistance of IT

Objectives to be Accomplished Next Year:

Work with IT to expand permit software to allow public access to track project progression

Perform Final inspections of older projects to ensure compliance with all building codes

Continue to work with advisory committee for input on improvement of policies and procedures of

Continue conversion of existing property files to electronic documents

existing codes including electronic plan submittals

Continue to provide resources for public education through public meetings & various organizations

Continue to improve the Inspection Website with the assistance of IT

Budget Variances:

To enrich the quality of life for adults fifty and over.

Mission Statement: Links to City

Strategic Plan:

- 1 Improving the public's knowledge and understanding of the Oshkosh Seniors Center.
- 2 Support business retention and development through the creation of additional partnerships.
- 3 Establish performance measures for all programs and services offered at the Center.
- 4 Explore Senior Services collaborations, with other City initiatives, through the Committee on Aging.
- 5 Develop long-term improvment strategy for the Seniors Center.

Significant Accomplishments:

- Explored options with "Dimension IV" for our North building to determine future use & floor plans.
- Increased the Fall Family Fun Fest revenue by \$5,000.
- Increased number of "FRIENDS" to over 1000, highest ever.
- Recognition Tower
- Implemented LEAN process in evaluating operational procedures in fitness, donor process, nail care
 - process, and newsleter production and folding process.
- New community partnerships: Options for Independent Living, UWO Business Success Center,
- Visiting Nurses Association, Lutheran Homes of Oshkosh and Oshkosh North High School.
- "Night on the River" over 300 in attendance.
- Created "Friend to Friend" program with grant funds.
- . Created training and evaluations for Front Desk Volunteers to insure that they are better prepared
- to assist participants.
- Started a snowshoe and cross country skiing group.
- Held initial sessions with the Community Foundation for building our OSC Endowment.

Objectives to be Accomplished Next Year:

Implementation of Phase 1, of the design plan, of the North building renovation.

Work with "Friends of the Oshkosh Seniors Center" to raise Capital for the North renovation.

COA (Committee on Aging) Aging Summit of CEO's of local senior service providers.

Improve program/activity evaluation process.

Establish additional community partenrships both on and off our Seniors campus.

Outreach/programs for the Hmong older adult population in Oshkosh.

Conduct a City-Wide survey on the needs, challenges and strenghts of older adults.

Budget Variances:

Amount 'Due to General Fund' is from the debt service payment paid by the General Fund (net of the \$480,181 covered by the tax levy) in 2009. This amount will be repaid to the General Fund over a number of years.

Mission Statement:

The City of Oshkosh seeks to provide a park and recreation system that will meet the needs of our current residents and future generations, preserve and protect the City's open space, water, historical and natural resources, and provide a park and recreation program that is designed to enhance the City's quality of life.

Links to City Strategic Plan:

- 1 Develop facilities plans as initial steps toward a city-wide facilities plan
- 2 Improve City Infrastructure such as streets, utility systems and park facilities
- 3 Develop Long-Term Preservation, Maintenance and Improvement Strategies for the City's Natural, Cultural, and Recreational Assets.
- Inventory the natural, cultural and recreational assets under city management, considering organizational and infrastructural elements

Significant

Accomplishments:

- Chipping green was completed and opened in time for City Tournament.
- Drainage work on number 5 rough.
- Runoff diversion on number 2 rough.
- Range tee expansion 60% completed.
- Increased email data base to 2000 from 1400.

Objectives to be Accomplished Next Year:

Finish expansion of range tee.

Add senior division to City Tournament and grow entries to 180.

Marketing to increase women and junior golf rounds.

Work with schools to increase junior rounds and UWO for increase in college age students.

Budget Variances:

The construction of the Armory Area Detention Basin has been delayed into 2014, therefore the receipt of the grant reimbursement is also delayed into 2014.

Mission Statement:

Manage storm water runoff in the City through flood control projects and water quality improvements (as required by WI DNR)

Links to City Strategic Plan:

1	Improve and Maintain Infrastructure	/Storm \	Vater Mana	gement		
2	Improve quality of life assets					
3

Significant

Accomplishments:

- Complete Hwy 91 / James Road Area Detention Basin
 Complete dredging Sawyer Creek from Hwy 41 to the Fox River
- Construct City Hall area detention structure
- Construct Phase 1 of Glatz Creek area relief storm sewer system
- Begin acquisition for Libbey / Nicolet Watersheds detention basin.

Objectives to be Accomplished Next Year: Construct Armory Area Detention Basin

Begin Fernau Avenue Watershed Planning Study.

Design / land acquisition for Washburn / Westowne area basin.

Design for storm water management features at 5outh Park

Mission Statement:

Strengthen neighborhoods throughout the community for the benefit of all residents and income levels by concentrating resource delivery into program neighborhoods to achieve revitalization and improvement. Funds expended through this program will be done in association with adopted neighborhood plans.

Links to City Strategic Plan:

- 1 Support strong, safe neighborhoods.
- 2 Create public/private partnership to foster grassroots neighborhood organizations.

Help create neighborhood associations throughout the City that will help create a neighborhood sense of

3 place and belonging.

0

Encourage neighborhood interaction through park activities, block parties, clean up days, community

4 gardens etc.

Create a neighborhood report card program and consider expansion to include participation of other

5 departments.

Significant Accomplishments:

- Blight elimination event at 118 West Parkway Avenue (Middle Village)
- Funded Good Neighborhood Grant Projects through NeighborWorks in various neighborhoods.
 - Middle Village Neighborhood planning underway.
- . Assisted with NeighborWorks Good Neighborhood Grant Subcommittee.

Objectives to be Accomplished Next Year:

Adoption of neighborhood plan. Commence planning process with another neighborhood

Implementation activities commence per adopted neighborhood plan

Adopt neighborhood association recognition policy.

- Develop neighborhood association sign policy.
- \$30,000 in neighborhood Association assistance

Budget Variances:

CDBG allocations are based on May 1 - April 30 program year. Revenues and expenditures are based on January - December calendar year.

Mission Statement:

The Community Development Block Grant (CDBG) Fund is used to help low & moderate income residents by improving housing conditions and neighborhoods, providing social services, and eliminating blight. The CDBG program is funded with Federal dollars based on an appropriation approved by Congress. The funds are used for first time homebuyers, housing rehabilitation loans, property acquisition, and demolition for redevelopment sites. In addition, the City pays for a share of the NeighborWorks program with this funding. Lastly, CDBG Public Service dollars are coordinated with the United Way to help pay a share of social service agencies that work with low and moderate income household.

Links to City Strategic Plan:

- 1 Create a public/private partnership to foster grassroots neighborhood organizations.
- 2 Provide public and private funding incentives directed toward home purchases & home improvements.
 Help create neighborhood associations throughout the City that will help create a neighborhood sense of
- 3 place and belonging.
 - Create a neighborhood report card program & consider expansion to include participation of other
- 4 departments.

Significant Accomplishments:

Created Oshkosh Neighborhood Resources website.

- Completed two rental rehabilitation projects in pilot priority neighborhood.
- Assisted 26 owner occupied dwellings with rehabilitation/improvements, homebuyer assistance or lead grants.
- Acquired eight blighted structures for demolition / blight removal.
- Rehab of 633 Mt Vernon Street

Objectives to be Accomplished Next Year:

- Support neighborhood revitalization activity in at least one Healthy Neighborhood Initiative Area.
- Provide decent and affordable housing to target population.
- Eliminate blighting and slum conditions in designated slum and blight areas.
- . Support local public service agencies providing services to targeted populations.
- Continue to fund Public Services Consortium to provide for supportive service needs of low and moderate income (LMI) persons within the community.

Funds were used to acquire adjacent property, remove blighted structure, and to develop a new off-street Mission Statement: parking lot to serve the district. Tax increment collected from the district is used to support debt service cost of the City's Parking Utility that constructed the lot. The property owner has been required to maintain a specified level of property value (\$250,000) or make a differential payment to the City to make up the difference in property value. The size of the TID is just over a third of an acre and the City invested \$180,000 to encourage redevelopment in the area. Mission Statement:

TID#21 was created in 2006 to assist with rehabilitation of blighted property in the central city west of Jackson Street between the Fox River and Pearl Avenue and Marion Road. The size of the TID is approximately 26 acres and over the life of the TID the City anticipates investing \$4,400,000 to encourage redevelopment in the area, including property acquisition, clearance of site, infrastructure improvements, environmental remediation, site preparation, trail system and seawall improvements, docking facilities and potential developer assistance. TID #21, while still in its early stages, has already facilitated aesthetic improvement in the area and resulted in the construction of new facilities.
