

## COMMON COUNCIL SUBMITTAL DATES FOR 2026

Below is the schedule of deadlines for submitting materials to be considered for placement on the City of Oshkosh Common Council agenda for development projects.

- To be eligible for a specific meeting, complete applications and all required attachments must be received by the listed submission date.
- Incomplete or late submissions will be moved to the next available meeting date.
- Common Council dates are tentative as some requests will require publication in the newspaper and will not be able to be placed on the next Council Agenda.

These deadlines help staff review projects, prepare reports, and meet legal notice requirements. If you have questions about what to submit or which date applies to your project, please contact the Community Development Department before the deadline to avoid delays.
