

**Organization Governing Rules
Stevens Park Neighborhood Association
(Referred to as SPNA)**

The purpose of SPNA is to improve the quality and safety of life for the residents within the Stevens Park neighborhood, promote their common interests in the neighborhood, and enhance the spirit of community.

Geographic area of SPNA is Washington Ave. on the north, Fox River on the south, Lake Winnebago on the east and Bowen Street on the west in the City of Oshkosh.

SPNA is open to all those who reside in the area and have an interest in maintenance and enhancing property in the community.

SPNA is led by a steering committee consisting of a minimum of five neighbors appointed and confirmed annually. The steering committee is to lead SPNA in its yearly endeavors for the enhancement, well-being, and improvements of the SPNA.

Contributors, contract, grants, subscriptions, and fund raising activities may be developed, arranged and monitored by the steering committee through appointed task forces to develop financial resources.

It is by consensus of those attending the meeting on October 27, 2011 held at the Otter Street Fishing Club House on Ceape Street that these organizational governing rules are adopted.
