

POLLOCK COMMUNITY WATER PARK REGULATIONS

The regulations listed below are designed for the safety, well-being, and positive aquatics experience of all water park users.

- Children aged six (6) and under shall be physically with/supervised by a person aged sixteen (16) or older at all times.
- Children who cannot swim shall have a person age sixteen (16) or older with them in the water.
- Individuals with a communicable disease, infections, open cuts, or who have had diarrhea in the past two weeks shall not be permitted into the water park.
- A person under the influence of alcohol or exhibiting erratic behavior shall not be permitted.
- Water and sand play area users should wear a swimsuit. Metal, of any kind, shall not be exposed on the exterior of swim clothes. Clothes shall be clean.
- Foot apparel worn outside of the water park is not allowed in the water. Only aqua socks or aqua shoes are allowed in the water.
- No regular, cloth or disposable diapers are allowed within the water park. All children who wear diapers or are not toilet trained shall wear a swim diaper. A swimsuit shall cover the diaper. Swim diapers can be purchased at the admissions window. Diaper changing on the pool deck is prohibited.
- No carry-ins (except water) are allowed, including food, drinks, gum, coolers, glass, any items that can shatter, aluminum containers, or personal lawn chairs.
- Carry-ins of flotation devices are not allowed, including water wings, inner tubes, noodles, and swimsuits with built-in flotation devices. U.S. Coast Guard-approved lifejackets, puddle jumpers, plastic snorkels, and masks are allowed. Fins and kick-boards are allowed during lap swims only.
- This facility is a smoke, tobacco, vape, and drug-free environment.
- Do not bring animals into the pool area.
- Activities involving prolonged breath-holding are prohibited.
- A parent or person supervising young children should often inquire with those children about using the restroom.
- Shower immediately before entering the water park, and after using the restroom.
- The use of cell phones is not allowed within the changing or restroom areas.
- Water park management will not be responsible for lost or stolen personal property.
- Management reserves the right to ask those demonstrating inappropriate behavior to leave.
- The water park may be closed due to weather conditions, maintenance issues, staffing issues, low attendance, or special events.

SPLASH PAD

- Users shall follow the directions given by all Attendants.
- Play equipment is designed for children ages 6 through 12.
- Children under the age of 6 shall be physically with/supervised by a person aged sixteen (16) or older at all times.
- Running, horseplay, and climbing or standing on the outside of the equipment is not allowed.
- No metal objects, locker keys, jewelry, swimwear with exposed buckles, metal snaps, rivets or zippers, or watches are permitted on or near the playground.
- Diaper changing is permitted in designated areas only and not allowed in splash areas.

SAND PLAY AREA

- Do not take sand toys from the sand play area. Shower off sand before re-entering water areas.
- No food or drink in the sand area.

DIVING BOARD RULES

- Users of the diving board shall be able to swim in deep water. A swim test will be required for those under age 16.
- Swimmers shall immediately swim out of the diving area.
- Parents are not allowed to jump off of the diving board while holding a child, nor are allowed to catch their child diving.
- Only one person is allowed on the board per dive.
- Use of lifejackets, goggles, or glasses are not allowed when diving.
- Front diving only. Twisting, backward jumps, or flips are not allowed.

DROP SLIDE RULES

- Riders shall follow the directions given by all Lifeguards.
- Riders shall be 48 inches tall and able to swim in deep water. A swim test will be required for those under age 16.
- Walk up steps, no horseplay on the stairs or landing, and no skipping in line.
- One person is allowed on the tower and slide at one time.
- No metal objects, locker keys, eye or sunglasses, goggles, jewelry, swimwear with exposed buckles, metal snaps, rivets or zippers, watches, or lifejackets are permitted on the slide.
- Riders shall slide feet first on back with legs crossed at ankles and arms crossed at chest.
- Pregnant women, and guests with heart conditions, neck or back problems, should not be riding this ride per manufacturer recommendations.
- A person under the influence of alcohol or drugs will not be permitted to ride.
- Swimmers shall immediately swim out of the plunge area.

WATER SLIDE RULES

- Riders shall follow the directions given by all Attendants.
- Single riders shall be a minimum of 48 inches tall and able to stand up safely in the plunge area to use the slides alone.
- Double riding is allowed for riders under 48 inches with a 16-year-old or older and who is 48 inches tall to ride with them on the body slide. Chain riding is not permitted.
- Any child under 42 inches must ride with an adult on a single tube on the tube slide. Double tubes are not allowed.
- Riders between 42 and 48 inches tall may ride a double tube on the tube slide with a person who is 16 years of age or older and is 48 inches tall.
- Walk up steps, no horseplay on the stairs or landings, and no skipping in line.
- No metal objects, locker keys, eye or sunglasses, goggles, jewelry, swimwear with exposed buckles, metal snaps, rivets or zippers, watches, or lifejackets are permitted on the slides.
- All persons riding the body slide shall ride in a seated position and shall exit feet first. Standing, kneeling, rotating, stopping, or sliding down headfirst is not allowed.
- Hands shall be kept inside of the slides at all times.

- Pregnant women, and guests with heart conditions, neck or back problems, should not be riding this ride per manufacturer recommendations.
- A person under the influence of alcohol or drugs will not be permitted to ride.
- Riders shall immediately exit the plunge area.

WARNING: Plunge area water depth is 3 feet, 6 inches.

LAZY RIVER

- Riders of the river must obtain a tube at the storage area and shall enter and exit at designated areas.
- Single tubes can be used by an adult with a younger child; a double tube can be used by 3 riders. All riders must fit on the tube.
- Riders shall be able to stand up safely if tipped off of a tube. Lifejackets are not permitted, except for Special Needs individuals.
- Riders shall have a tube with them at all times. Swimming or horseplay in the river is not allowed.

WARNING: The Lazy River water depth is 2 feet, 6 inches.
