SUMMARY OF PROCESS

The City of Oshkosh Plan Commission and Common Council act on all amendments to the Official Zoning Map. The petitioner or owner should be present at both the Plan Commission and Common Council meetings to discuss and answer questions regarding the request.

The application package is reviewed by Planning Services staff to determine conformance with adopted city plans, zoning requirements and development standards. A staff recommendation is prepared for consideration by the Plan Commission and Common Council. The petitioner will be provided with a copy of the staff report and meeting notice several days prior to the Plan Commission meeting. The staff report and meeting notice will also be available on the City's website. No notice is sent to the petitioner or owner regarding the Common Council's consideration of the request. Petitioners and owners are encouraged to contact Planning Services staff to find out when the request will be sent to the Common Council for review.

Neighborhood opinion is an important factor in the decision-making process. If the proposed development is expected to have significant impact on other properties, the petitioner may be required to conduct a neighborhood meeting to solicit public input prior to action by the Plan Commission and City Council. Planning Services staff is available to offer assistance in compiling a mailing list for the neighborhood meeting. If deemed appropriate, notification by mail informing the property owners within 100 feet of the subject property of the proposal may substitute for the public meeting. Please note that a meeting notice will be mailed to all abutting property owners regarding your request.

Within 90 days of filing a complete application, Plan Commission shall hold a public hearing to consider the request. Within 60 days of the public hearing, the Plan Commission may make a written report to the Common Council with recommendations regarding the proposal. The Plan Commission's report is advisory only. The Common Council will make the final decision regarding all zone change requests. The Plan Commission may lay over requests to subsequent meetings if incomplete information is provided or additional questions or concerns are raised at the meeting.

After the Plan Commission makes its recommendation, the request will be forwarded to the Common Council for consideration. This generally occurs three weeks after the Plan Commission meeting depending on the date the Council meeting is scheduled (the Council meets on the 2nd and 4th Tuesday of every month) and on the availability of a legal description for the zone change. Wisconsin State Statutes require a zone change to be published as Class II notice in the local newspaper, the City takes care of this publication requirement prior to the Council meeting.

The Common Council may approve the Official Zoning Map amendment as originally proposed, may approve the proposed amendment with modifications, or may deny approval of the proposed amendment. If the Official Zoning Map amendment is approved, the Ordinance is published in the newspaper on the following Saturday and will be effective on Sunday. City administrative offices are notified of the effective date of the Ordinance and will make changes to the Official Zoning Map accordingly.
