It is the Bidder's sole responsibility to ensure the Bid is received by QuestCDN.com prior to the deadline set forth in this notice. No bids will be accepted after the deadline.

All bids must follow the bidding instructions, including providing all attachments as required, on QuestCDN.com.

Contractors must be prequalified to submit a bid for this Project. The City of Oshkosh has transitioned to a new online platform, OpenGov, for submitting applications such as this. The OpenGov portal can be found at https://oshkoshwi.portal.opengov.com/. The "Contractor Prequalification" record can be found under the "Contractor Licenses, Permits, and Forms" section or by searching for "Contractor Prequalification".

You will need to create online accounts in the OpenGov Portal to submit the prequalification information. OpenGov has been direct with us that these accounts are individual accounts, and not corporate accounts. Therefore, everyone at your company that could be responsible for interacting with these online processes will need to create their own account.

The Contractor Prequalification shall be submitted not later than Monday, November 23, 2026. Contractors will not be allowed to bid on this City Contract if complete answers to any questions or any missing documentation have not been received by the Department of Engineering and Utilities by Friday, November 27, 2026. The Director of Engineering and Utilities' decision as to qualifications will be final. Contractors that are prequalified with the City of Oshkosh Department of Engineering and Utilities for the construction year 2027 for the class of work and Contract Tier specified in the Proposal do not need to prequalify again for this Project.

Complete digital Project Bidding Documents (including a copy of the current edition of the *Standard Specifications for City of Oshkosh, Wisconsin*) will be available at www.questcdn.com on Tuesday, November 17, 2026. Download the digital plan documents for a non-refundable fee of $42 (Forty-Two Dollars) by inputting **Quest Project No. 10442008** on the website's Project Search page. Please contact QuestCDN.com at (952) 233-1632 or info@questcdn.com for assistance in free membership registration, downloading, and working with this digital Project information.

Plans and Specifications may be reviewed at the office of the City Engineer, Room 301 of City Hall, beginning Tuesday, November 17, 2026. These documents are also available for inspection in the office of the City Clerk, Room 104, 215 Church Avenue, Oshkosh, Wisconsin. In addition, additional copies of the current edition of the *Standard Specifications for the City of Oshkosh, Wisconsin* will be available for purchase. The cost of the current edition of the *Standard Specifications for the City of Oshkosh, Wisconsin* will be $25 (Twenty-Five Dollars) and will be available at the City Engineer's office.

Sealed Bids must be accompanied by a Bid Bond payable to the City of Oshkosh **on the form provided by the City of Oshkosh** in an amount of not less than five percent (5%) of the total amount of the Bid as a guarantee that if the Bid is accepted, Bidder will execute and file proper Contract and Bond within ten (10) days after the award of the Contract. The Bid Bond can be presented in pdf format. If the successful bidder executes the Contract and files the necessary bonds within the allowed time, then the Bid Bond shall be released. If the successful bidder fails to execute the Contract and file the Contract Bond within the allowed time, then the Bid Bond shall be forfeited to the CITY as liquidated damages.

No bids will be withdrawn for a period of sixty (60) days after the scheduled time of opening bids, except as may be allowed by law.

Award will be made to the lowest responsible bidder submitting a conforming bid, unless all bids are rejected.

REBECCA GRILL
City Manager
