Monday - Friday
7 am to 3 pm

Closed Saturdays, Sundays & Holidays

Yard Waste Drop off Site — Permit Required

W. 3rd Ave. between Ohio St. & Idaho St.

Winter Hours:

December 1st to March 31st
Monday - Friday 7 am to 3 pm
Closed Saturdays, Sundays & Holidays

Summer Hours:

April 1st to November 30th
Monday - Friday 11 am to 7 pm
Saturday & Sunday 10 am to 6 pm

The City of Oshkosh Sanitation Division Automated Collection program for garbage and recycling is designed to make collection easier and more cost effective for the residents and the city.

The Sanitation Division makes approximately 32,000 weekly stops on the garbage and recycling routes. The Sanitation Division picked up 280 tons of garbage and 76 tons of recycling weekly in 2022. The City diverted over 3700 tons of recycling from reaching the landfill. As you fill your carts, remember that a little sorting goes a long way toward reducing the amount of garbage going to the landfill.

Garbage and Recycling Collection Guidelines

The Sanitation Division of the City of Oshkosh provides Garbage and Recycling collection services to residential customers in buildings of 4 living units or less. Garbage is collected every week and Recycling is collected every other week, separated into "A" week and "B" week.

Black colored Garbage Cart and Blue colored Recycling Cart:

- The property owner of each residence shall purchase the garbage and recycling cart provided by the City of Oshkosh. The property owner will choose the size and number of carts needed for the property. However, **one recycling cart is required at each living unit.**
- All regular household waste (**no recycling items**) shall be placed inside the black garbage cart. (**Shredded paper should be bagged and then placed inside the garbage cart or taken to a sponsored shredding event.**)
- All recycling materials shall be placed loosely (**no plastic bags or garbage items**) inside the blue recycling cart.
- Cart lids must be closed, with nothing placed on top of the cart lids when they are out for collection. The weight of each cart cannot exceed 300 pounds.
- Carts must be set out for collection **no later than 7 am** on your scheduled collection day. Late set outs will not be collected until your next scheduled collection day. Carts can be placed out for collection **no earlier than 4 pm** the day before your collection day. **Carts shall be returned to the proper point of storage within 12 hours after collection.**

Placement of Black colored Garbage and Blue colored Recycling Carts for collection:

- Always place your cart so that the white serial numbers are facing the street. This places the lid opening in the proper position for emptying.
- Place your cart on your driveway apron or terrace at ground level so that it is **3 feet away** from obstacles such as other carts, overflow garbage bags, special paid pick ups, parked cars, mail boxes, utility poles, trees and other obstructions. If the terrace is too narrow to place the cart without obstructing the sidewalk, place your cart at the house edge of the sidewalk or driveway apron. Carts **must not** be placed in the roadway. Improperly placed carts will not be collected.
- **Winter Placement:** The best placement is on your driveway apron after you have cleared it of snow. It can also be placed on a cleared area on the **street side** of your terrace. Do not leave your cart on the sidewalk or on top of a snow bank. Improperly placed carts will not be collected.

Occasional excess garbage: For an occasional need for extra garbage disposal, try one of the following options:

- Check with a neighbor to see if they have extra room for your waste materials in their cart(s)
- Hold the excess waste materials for disposal on the next collection week
- Take garbage and/or recycling for disposal to the Winnebago County Solid Waste/Recycling Transfer Station (Landfill) (920) 232-1800, www.WinnebagoCountySolidWaste.com. Disposal fees may apply.
- Purchase an additional cart. Additional garbage or recycling carts may be purchased at the Collections Counter at City Hall. **Each** additional **garbage** cart will be charged an annual collection fee of \$180.00. There are no restrictions on the number of recycling carts collected per living unit.

- Items that do not fit into the cart may be scheduled as a Special Paid Pick up at the Collections Counter at City Hall, 215 Church Avenue. Once scheduled, the item should be placed at least 3 feet away from your carts on the terrace or driveway apron, no later than 7 am on your scheduled collection day. The prepaid cost per item is as follows:

\$13—**Metal** items, such as storm doors, lawn mowers, grills, weight benches (weights can be placed in the garbage cart)

\$15—**Large items** such as couches, toilets, dressers, carpeting (rolled and tied, no larger than 4 feet in length and weighing less than 50 pounds), mattresses, box springs

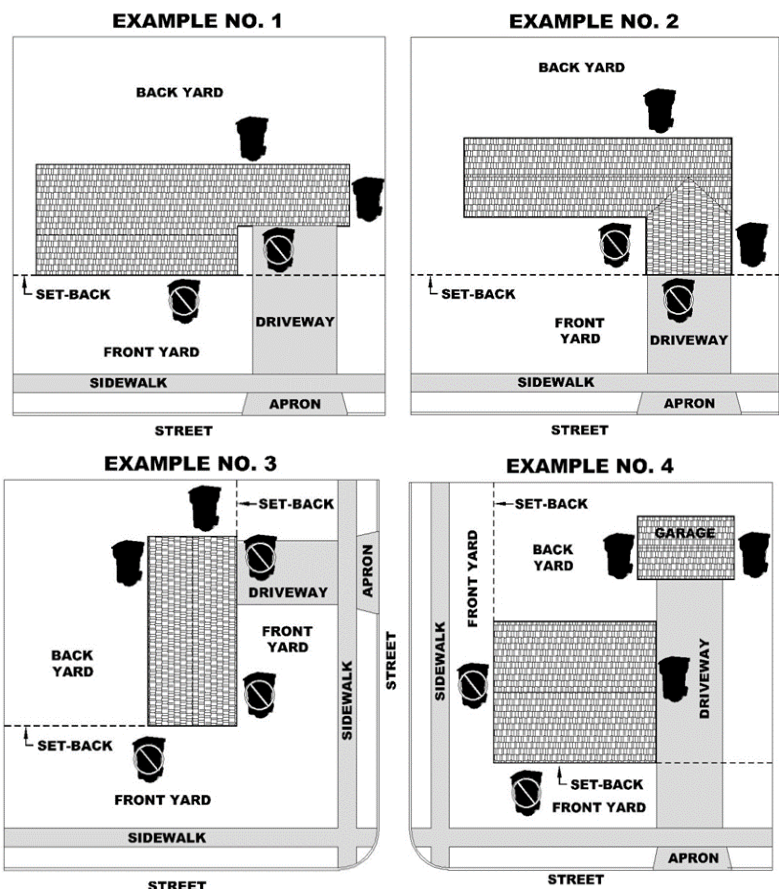

\$23—**Appliances**, such as microwaves, stoves, washers, dryers, dehumidifiers, humidifiers, air conditioners, treadmills, refrigerators and freezers. **Remove the doors from the refrigerators and freezers.**

TVs and other electronics will not be picked up curbside at any time.

Placing items on the terrace: The terrace and driveway apron **cannot** be used as a pick up location. Items “for sale” or “for free” should be placed on the **house side of the sidewalk**, either on the grass or on the driveway. **All items on the terrace or driveway apron are presumed out for collection by the Sanitation Division.** If the items have not been prepaid as a **Special Paid Pick up**, the items will be tagged with a **Violation Notice**. The items **must be removed by 7 am** of the following work day or the City will collect the items and issue a **Violation Invoice** for the cost of collection (minimum \$25 plus an administrative charge).

Garbage & Recycling Cart Storage Requirements

- Carts cannot be stored on any side of a building that faces a public right-of-way except alleys.
- Carts cannot be stored on, under, or alongside of a front porch, stoop, landing, accessible ramp, or deck fronting on the public right-of-way.
- Carts cannot be stored within 15-feet of the public right-of-way except during time of collection

Residential Disposal Guide

As you fill your carts for collection, remember a little sorting goes a long way to reducing costs and lowering the amount of items going to the landfill. Please note the items below with an asterisk (*) may have other disposal options besides the garbage cart. See the next page for more information.

PLASTIC

Put these items in the **RECYCLING CART**

- Bleach and Detergent containers
- Dairy tubs and containers
- Plastic Bottles, Jugs & Jars
- Produce, Deli & Bakery Containers
- Soda and Water bottles

Put these items in the **GARBAGE CART**

- CDs, DVDs, Audio & Video Cassettes
- Disposable Baby & Adult Diapers
- Disposable Drink Cups
- Extension Cords & Christmas Lights*
- Garden Hoses
- Kitty Litter Pails
- Motor Oil Bottles, empty
- Plastic Utensils, Plates
- Plastic Bags, Wraps & Films*
- Plastic Plant Pots, Trays & Lawn Edging
- PVC Piping
- Plastic Kids' Toys
- Styrofoam, Packing Peanuts and To-Go Containers

GLASS

Put these items in the **RECYCLING CART**

- Food & Beverage Bottles & Jars

Put these items in the **GARBAGE CART**

- Ceramics & China
- Drinking Glassware, Window Glass
- Mirrors

Place recycling items loosely in the cart.
Empty, rinse, and replace all caps and lids.

PAPER, PAPERBOARD & CARDBOARD

Put these items in the **RECYCLING CART**

- Cereal, Soda, Gift, & Shoe Boxes*, flattened
- Corrugated Boxes*, flattened & cut to fit
- Magazines
- Milk, Juice & Soup Cartons
- Newspapers* & Inserts
- Office Paper, remove paper clips
- Paperback & Hardcover Books
- Paper Egg Cartons
- Pizza Boxes, emptied of food

Put these items in the **GARBAGE CART**

- Paper Towels, Napkins & Tissues
- Shredded Paper*, bagged
- Wax Paper
- Tissue Paper

METAL

Put these items in the **RECYCLING CART**

- Aluminum Bottles & Cans
- Steel & Tin Cans

Put these items in the **GARBAGE CART**

- Aerosol cans*, empty
- Aluminum Pans & Foil*
- Latex Paint Cans, dried or empty

City of Oshkosh Yard Waste Drop off Site

3rd Avenue between Ohio Street & Idaho Street

Permit required to drop off yard waste. Permit is only valid for one vehicle.

Permits may be purchased at the Collections Counter, City Hall or at Kitz & Pfeil, 427 North Main St.

\$25/City of Oshkosh resident -- \$125/non-City of Oshkosh resident

All loads entering the yard waste site must be covered with a tarp or tied.

Yard waste from commercial operations prohibited, including tree trimmers, landscapers & apartment buildings.

Items Accepted

- Brush, **up to** 6 feet in length and 6 inches in diameter
- Grass & Leaves
- Apples, Pumpkins & Walnuts
- Weeds & Garden Debris
- Waste Automotive Oil (no permit required)

Items NOT Accepted

- Brush, **larger than** 6 feet in length or 6 inches in diameter
- Sod, Stumps, Roots & Dirt
- Rocks, Gravel & Concrete
- Lumber or other wood & Building Materials
- Any material classified as garbage or recyclable

Other than Curbside Collection

Many items can be re-used or recycled and kept out of our landfills. Many other items are required to be recycled, but the curbside collection does not support that. Items not picked up curbside may be disposed of at the following businesses. **Charges and limitations may apply.** Call for more information. Inclusion on this list is not intended to imply endorsement by the City of Oshkosh, nor is exclusion intentional.

2024 Curbside Brush & Loose Leaf Collection Guidelines

Brush Week:

- **Brush** is defined as tree branches, hedge clippings, garden debris and leaves. **The City does not pick up grass, dirt, root balls, or stumps at any time.**
- Curbside collection of brush is scheduled **on your garbage day** during the **first full, non-holiday week of the month from April through December**. **Brush weeks** are **underlined** on the collection calendar.
- Brush should be placed in paper biodegradable bags or bundled and tied. Bundles can be no longer than 4 feet in length and have branches no larger than 3 inches in diameter. Bags and bundles shall not exceed 50 pounds in weight. Do not place brush inside garbage or recycling carts for collection.
- Place bags and bundles at least 3 feet away from the garbage and recycling carts on the terrace or driveway apron, no later than 7 am on the scheduled collection day. Do not obstruct the sidewalk.

Spring Cleanup:

Spring Cleanup is 3 consecutive weeks of brush collection, scheduled from April 22nd to May 10th. Follow the same guidelines as the Brush Week collection above.

Fall Loose Leaf Collection:

- Fall Loose Leaf Collection runs for 5 consecutive weeks, **starting** October 21st and **ending** November 22nd. Collection is scheduled for the **day after your garbage day**. Loose leaf collection weeks are noted by the green boxes on the Sanitation Collection Calendar.

Loose Leaf Collection Day	1st Day	2nd Day	3rd Day	4th Day	Final Day
Friday Garbage = Monday Loose Leaf Collection	10/21	10/28	11/04	11/11	11/18
Monday Garbage = Tuesday Loose Leaf Collection	10/22	10/29	11/05	11/12	11/19
Tuesday Garbage = Wednesday Loose Leaf Collection	10/23	10/30	11/06	11/13	11/20
Wednesday Garbage = Thursday Loose Leaf Collection	10/24	10/31	11/07	11/14	11/21
Thursday Garbage = Friday Loose Leaf Collection	10/25	11/01	11/08	11/15	11/22

- Place **leaves** loosely on the terrace, **no bags or brush**, no later than 7 am on the **day after your scheduled garbage collection day**. Rake the leaves as close to the street as possible. Do not rake leaves into the street, the gutter line or over the sidewalk. Be mindful of obstructions, such as parked cars, mailboxes, fire hydrants and power poles. **Do not mix brush, grass clippings, other plant materials, dirt, root balls, rocks or stumps with the leaves.**
- Loose leaf collection may end any time due to weather or equipment issues. **Scheduled Loose leaf collection will end November 22nd.**

Christmas Tree collection:

- Christmas tree collection will take place during 2 weeks in January. Check the City website for exact dates.
- Place trees on the terrace or driveway apron, no later than 7 am **on your scheduled garbage collection day**. Artificial or flocked trees will NOT be collected.
- Remove all decorations, lights and the tree stand. Trees must not be buried by snow. Trees **must** be removed from plastic bags.
- Christmas wreaths, garland or swags that contain a metal frame should be placed in the garbage cart.

Brush, leaves and Christmas trees may also be taken to the City of Oshkosh Yard Waste Drop off Site.

A Yard Waste permit is required.

Holiday--no collection

Collection is one day later because of the holiday

Recycling "A" week

Recycling "B" week

Brush Week--Brush is collected **ON** your Garbage day. Place tree branches, hedge clippings, garden debris and leaves (Brush) in paper biodegradable bags on your terrace. Brush may also be bundled and tied. Bundles can be no longer than 4 feet in length and branches no greater than 3 inches in diameter. Bags and bundles should not exceed 50 pounds in weight. **Grass clippings, dirt, root balls, or tree stumps will not be collected at any time.**

Spring Clean up--Brush is collected **ON** your garbage day for 3 consecutive weeks; scheduled from April 22 to May 10, 2024. Follow the same guidelines as **Brush Week**.

Fall Loose Leaf collection--collected the day **AFTER** your Garbage day, from October 21 to November 22, 2024. Place leaves loosely on the terrace, no bags or brush. Rake the leaves as close to the street as possible without going into the curb line or street. Do not obstruct the sidewalk. **Scheduled Loose Leaf Collection will end November 22, 2024.** Loose leaf collection may end at any time due to weather or equipment issues. **Grass clippings, dirt, root balls, or tree stumps will not be collected at any time.**
