

*Join us for a citizen science
activity for all ages and open to the public!*

SALT PADDLE ON THE FOX RIVER:

UW-OSHKOSH

We are
launching
behind the
Student Rec
and Wellness
Center

Come learn about the impacts of salt runoff
in our watershed, collect and test your own
water sample for chloride, and learn about
how you can support local monitoring
efforts this winter.

10.12.21 4:00 PM
TO
5:30 PM

There is no cost to participate.
We have 12 kayaks available for use.
To register, e-mail: davisfos@uwosh.edu.
Pre-registration is required.
