Subject: Sawyer Creek Channel Improvements
Contract 12-03

Dear Property Owner or Resident:

The City of Oshkosh has scheduled a public information meeting to discuss the upcoming channel improvements to Sawyer Creek between North Koeller Street and the Fox River. The meeting will be held as follows:

**Wednesday, October 26, 2011
5:30 to 7 P.M.-OPEN HOUSE
Brief Presentation-6 P.M.
Oshkosh West High School, Room O
375 North Eagle Street
Oshkosh, Wisconsin**

The purpose of the meeting is to provide information on the proposed Sawyer Creek channel improvements and obtain input that will assist in further development and refinement of the proposed channel improvements. The meeting will follow an informal, open house format. A brief presentation will be given at 6 P.M. Employees from the City of Oshkosh and engineers from Strand Associates, Inc.[®] will be available to discuss the proposed project and address any questions or concerns.

The proposed project extends from North Koeller Street to the Fox River. The majority of the project will be constructed within the existing waterway. Easements may be required from some properties for grading and access during construction. See map of project location on the right.

Construction is tentatively scheduled for June to October 2012.

We look forward to your participation in this important meeting. If you have any questions at this time or if you cannot attend the meeting but would like to find out more about the proposed improvements, please contact the project staff below:
