FOR IMMEDIATE RELEASE

City Manager Rebecca Grill delivers 2025 State of the City Address
Video presentation premieres today

OSHKOSH, Wis., May 14, 2025 – Today, Wednesday, May 14th, the 2025 Oshkosh State of the City video presentation premieres on the Oshkosh Media YouTube channel, as well as on Oshkosh Media Gov TV at 5:00 p.m. (details are below). Delivered by City Manager Rebecca Grill, the State of the City Address is once again presented in a video format to increase its accessibility to members of the community. The presentation is an excellent opportunity for local residents, businesses, and organizations to learn about the city's achievements, upcoming projects, and future challenges and opportunities.

City Manager Grill provides an overview of recent work that has been accomplished in Oshkosh while highlighting the Strategic Plan that guides daily city operations. The presentation also includes an overview of 2025 capital improvements, city facility improvements, economic development projects, and the future outlook for the city. This presentation serves as an opportunity to celebrate successes and share exciting updates about Oshkosh's future.
