

This program provides the opportunity to a relative, friend or member of an organization or anyone you care about by placing a bench in one of Oshkosh's parks, along the trails, or in the historic business district. This dedication provides a lasting remembrance while enhancing the meaning of the bench to observers. The gift is also a valuable contribution to the City to be used and enjoyed by all.

The donor may express a preference to the location of the bench however; the specific location will be ultimately be determined by Parks Department staff depending on needs and availability. Find examples of recommended tree species as well as available park locations on the next page.
