## **POLLOCK COMMUNITY WATER PARK POLICY FOR THE PURCHASE OF SEASON PASSES**

The City of Oshkosh Parks Department shall issue each person involved with the season pass program a pictured, laminated pass for entry into the water park. It is required that pictures are taken before any pass is issued.

It is the responsibility of each person involved with the season pass program to review and abide by the Pollock Community Water Park Rules and Regulation. Additionally, he/she will abide by and conform to all ordinances of the City of Oshkosh. Copies of these documents can be found on the city website or may be requested from Parks Department administrative staff.

A family pass is limited to all family members who reside at the same address, and who use the household as their permanent address.

The initial purchase of a family pass includes four (4) family members. The four (4) members may include: two (2) parents (including step-parents and/or grandparents) and two (2) children; one (1) parent and/or three (3) children; four (4) children, or any combination, thereof. A maximum of two (2) adults will be allowed per family pass (exceptions may be considered). Additional family members (children) may be added to the family pass at a cost of \$16 each. Proof of residency shall be required for each family pass member.

Extended family or adult children (and their families) living in a parents or family member's household shall obtain their own individual or family pass.

Daycare providers/babysitters are not eligible to be included on a family pass unless they are family members residing at the same address. If any family desires to have a non-family member daycare provider or babysitter involved with accompanying children to the water park, then a separate, individual pass will have to be purchased.
